

### **Instructions For Syndicates**

1. All members of the syndicate must sign the back of the ticket.
2. As only one cheque is issued, the syndicate must nominate one person to receive the prize winning cheque. The nominated person completes a Claim Form giving full details.
3. A Declaration Form must be completed by the other members of the syndicate, who provide their full name and address details and signature on the form.

The Declaration Form is proof that all members of the syndicate are deemed to be part owners of the winning ticket and that their share of the prize is tax free in accordance with the National Lottery Act of 1986.

4. If any member of the syndicate cannot come to NLC HQ, they must sign the back of the ticket and complete the Declaration Form in full. This is sufficient proof that that person is a part owner of the winning ticket and that their share of the prize is tax free.
5. Once the necessary documentation has been completed the ticket is then validated and a cheque is issued for the winning amount.

DECLARATION FORM TO BE COMPLETED IN ANY CASE WHERE MORE THAN ONE PERSON'S NAME APPEARS ON THE BACK OF A TICKET
