### The National Lottery

#### Rules for Game “Cash Showdown”

The following sets forth the rules for a National Lottery interactive Game (hereinafter known as “Cash Showdown”) which will be operated by Premier Lotteries Ireland Designated Activity Company (“the Company”) as part of The National Lottery.

The Game will commence on a date to be announced, and will continue until the Company publicly announces a termination date.

These rules have been approved by the Regulator in accordance with Section 45 of the National Lottery Act 2013.

#### GENERAL

1. These rules are governed by The National Lottery Act 2013, and incorporate the General Rules for National Lottery Games, PLI’s Terms and Conditions and the Data Privacy Statement. Copies of The National Lottery Act 2013, the General Rules for National Lottery Games, PLI’s Terms and Conditions, the Data Privacy Statement and these Game Rules are available to view or download via the National Lottery website with the following URL: [www.lottery.ie](http://www.lottery.ie) or by writing to Premier Lotteries Ireland, Abbey Street Lower, Dublin 1.
2. We recommend that prospective players read and understand PLI’s Terms and Conditions and the relevant Game Rules before playing any Games. The Terms and Conditions, General Rules for National Lottery Games and Data Privacy Statement are hereby incorporated into and form part of these Game Rules.
3. The Company reserves the right to vary these Game Rules, subject to the consent of the Regulator.
4. The official address to which correspondence must be sent is:  
**The National Lottery,  
Abbey Street Lower,  
Dublin 1**
5. A code of practice governing relations between participants in National Lottery games and the National Lottery is available to download from the National Lottery’s website [www.lottery.ie](http://www.lottery.ie).
6. Where the context so requires, in these Game Rules, the neuter gender shall include the feminine or masculine gender and vice versa, the feminine gender shall include the masculine gender and vice-versa and the singular shall include the plural and vice-versa.

## GOVERNING LAW AND RULES

In playing National Lottery interactive Games the Player agrees to abide by the Laws of Ireland, the Act, the General Rules for National Lottery Games, PLI's Terms and Conditions, the Data Privacy Statement and these Game Rules.

## COST OF PLAY

The price of a "Cash Showdown" play will be €5.

## PURCHASE AND PRIZE RESTRICTIONS

1. No Game shall be played by, and no Prize shall be paid to, any officer or employee of the Company or any contractor or sub-contractor involved in the development, support and/or maintenance of the Interactive System or Website and/or Mobile App, or any person prohibited by the Act from purchasing, owning, or claiming a Prize or any other person prohibited by the Terms and Conditions from purchasing, owning, or claiming a Prize.
2. Persons under 18 years of age are prohibited from playing the Game.
3. The Company will not be responsible for lost or stolen devices used to play Games.
4. The Company will not be responsible for Plays made in error.

## PROSECUTION

Any person who purchases, owns, or claims a Play and/or Prize and is not entitled to do so, is liable to criminal prosecution.

## GAME PLAY MECHANISM

1. The Interactive System must be available for play.
2. A registered Player may play a "Try for Free" game for notional prizes by selecting the "Try" link in the Game Play Window.

3. In order to play a National Lottery interactive Game, a Player must first register on-line from a link on [www.lottery.ie](http://www.lottery.ie) in accordance with the PLI Terms and Conditions.
4. The Player must have a valid Player Account.
5. Players must be 18 years of age or older to Play the Game and Prizes will not be paid to persons under 18 years.
6. The Player is required to log in to the Interactive System by entering a User ID and Password (created during the Player's original on-line registration process) to gain access to this Game.
7. When the Player has logged in to the Interactive System a choice of Games will appear on the instant win game lobby. The Player chooses the "Cash Showdown" Game by clicking on the "Play" link on the Game Play Window.
8. The Player is then shown a brief "How to Play" synopsis of the Game and is invited to 'Play Now' or 'Try'.
9. When the Player chooses 'Play Now' he is then shown the price of playing that Game and current Wallet balance, at which point the Player is invited to 'Play Now'.
10. When the Player opens the Game the Interactive System checks to ensure that the Player has sufficient Unutilised Funds to complete the transaction. The cost of the Play is deducted from the Wallet balance and the amended Wallet balance is displayed.
11. The Game then connects to the Interactive System which randomly selects a Play which may yield a Prize from one of the Prize Tiers for this Game. The result for a Play is randomly determined by the Interactive System. The Player's interaction with the Game does not impact on the result.
12. The opening screen is displayed along with a 'Settings' button (cog symbol – bottom left hand side) which will open to display two further buttons: the Sound button and the "i" button which contains the synopsis of how to play the Game.
13. The Player chooses 'Play' to continue. The Player is then presented with a Game Play Window which displays a Number Selection screen. The Player must pick five from six 'Question Mark' icons to reveal 'YOUR NUMBERS'. These numbers range from 1 to 49 inclusive (excluding numbers 5, 10, 15 and 20).
14. Once the Player has selected his fifth number the 'PLAY' button will appear. This button must be clicked to move onto 'Game 1'.
15. The Player is required to play three individual Games and then the Bonus Game. The Games must be played in the order in which they are presented to the Player.
16. The five revealed 'YOUR NUMBERS' and the 'TOTAL WIN' meter will be displayed on screen for all three games and the Bonus Game.
17. In 'GAME 1' the Player is presented with fifteen "Wad of Cash" play icons, each with an associated 'PRIZE'. The Player must click each of the fifteen 'Wad of Cash' play icons to reveal a number between 1 and 49 inclusive (excluding 5, 10, 15 & 20) and the associated 'PRIZE' amount.
18. The aim of 'GAME 1' is to match any of the revealed numbers to any of 'YOUR NUMBERS' to win the Prize amount revealed for that number.
19. If the Player wins a Prize the revealed number and associated Prize will highlight to indicate the Prize has been won. The matching number in the 'YOUR NUMBERS' panel will highlight temporarily to show the match. If a Prize(s) is revealed then the 'TOTAL WIN' meter will animate to reveal the sum of any Prize(s) won in 'GAME 1'.
20. Once all play icons in 'GAME 1' have been revealed, a 'SWITCH TO GAME 2' button will appear. This button will animate prompting the Player to click it and transition to the 'GAME 2' screen.
21. In 'GAME 2' the Player is presented with six play panels each containing two 'Gold Shield' play icons and an associated 'PRIZE' amount.
22. The Player must click on each of the 'Gold Shield' play icons or the associated 'PRIZE' icon to reveal two numbers between 1 and 49 inclusive (excluding 5, 10, 15 & 20) and a Prize amount.

23. The aim of 'GAME 2' is to match two numbers in a play panel with any of the 'YOUR NUMBERS' to win the Prize amount revealed for that play panel.
24. If the Player wins a Prize the revealed numbers and associated Prize will highlight to indicate that the Prize has been won. The matching number in the 'YOUR NUMBERS' panel will highlight temporarily to show the match. If a Prize(s) is revealed IN 'GAME 2' then the 'TOTAL WIN' meter will animate to reveal the sum of any Prize(s) won in 'GAME 2' including any Prize(s) won in 'GAME 1'.
25. Once all play icons in 'GAME 2' have been revealed, a 'SWITCH TO GAME 3' button will appear. This button will animate prompting the Player to click it and transition to the 'GAME 3' screen.
26. In 'GAME 3' the Player is presented with four columns each containing three 'Gold Bar' play icons and an associated 'PRIZE' amount.
27. The Player must click on each of the 'Gold Bar' play icons or the associated 'PRIZE' icon to reveal three number between 1 and 49 inclusive (excluding 5,10,15 & 20) and a Prize amount.
28. The aim of 'GAME 3' is to match three numbers in any column with any of 'YOUR NUMBERS' to win the Prize amount revealed for that column.
29. If the Player wins a Prize the revealed numbers and associated Prize highlight to indicate the Prize has been won. The matching number in the 'YOUR NUMBERS' panel will highlight temporarily to show the match. If a Prize(s) is won in 'GAME 3' then the 'TOTAL WIN' meter will animate to reveal the sum of any Prize(s) won in 'GAME 3' including any Prize(s) won in 'GAME 1' and 'GAME 2'
30. Once all the play icons in 'GAME 3' have been revealed, a 'BONUS SHOWDOWN' button will appear. This button will animate prompting the Player to click it and transition to the 'Bonus Game'.
31. In the 'Bonus Game' the Player is presented with an instruction panel overlaid across the play icons containing text as follows:

'ANOTHER CHANCE TO WIN'

'Choose one coin to reveal your bonus number for a chance of a bonus win!'

and a 'LETS GO' button.
32. The Player clicks the 'LETS GO' button which will animate and present three 'Coin' play icons.
33. The Player must click one of the three 'Coin' play icons to reveal a number between 1 and 49 inclusive (excluding 5, 10, 15 and 20). The revealed number will then animate to appear in the 'YOUR NUMBERS' panel as an additional number and will remain highlighted.
34. The Player must then click the 'CHECK GAMES' button. The Game will then animate through each of Games 1, 2 and 3 checking and highlighting any revealed numbers in each Game that match with the new number now highlighted in 'YOUR NUMBERS'. During each of the game checks, the header will display 'CHECKING MATCHES'. Once the check is complete the 'TOTAL WIN' counter will update to include any additional Prize(s) won.
35. Once all three Games have been checked, the game ends a message indicating the result will appear:

BETTER LUCK NEXT TIME

or

CONGRATULATIONS!

YOU HAVE WON

<AMOUNT>
36. The Player is required to acknowledge this message by clicking the FINISH button. The Game then ends and the Player is shown the game confirmation screen.

If You purchase a Play and do not complete the Play, the system will automatically play out the Play within 24 hours. If a Low Tier Prize is won then that Prize will be paid directly into the Players Wallet. If a Mid-Tier (Level 1) Prize is won then that Prize will be paid by cheque and posted to

the address specified in Your Player Account. If a Mid-Tier (Level 2) Prize is won then that Prize will be paid by cheque and posted to the address specified in Your Player Account, upon receipt of a completed Claim Form and proof of identity and age. If a High-Tier Prize is won then the Player will be notified and the Prize will be paid by cheque, stamped "Account Payee Only", and which must be redeemed at National Lottery HQ upon receipt of a completed Prize Claim Form and proof of identity and age.
