Chairman's Statement **Ráiteas an Chathaoirligh**

I am very pleased to report that the National Lottery delivered another good performance in 2010. Notwithstanding the difficulties faced by the Irish economy, we successfully raised a further €243.7 million for distribution by the Government to good causes throughout Ireland.

Is áthas liom a thuairisciú gur fheidhmigh an Crannchur Náisiúnta go maith athuair i 2010. In ainneoin na ndeacrachtaí a bhí sa mhullach ar gheilleagar na hÉireann, d'éirigh linn €243.7 milliún eile a bhailiú le dáileadh ag an Rialtas ar dheachúiseanna ar fud na hÉireann.

The amount raised in 2010 brought the total funds raised since the launch of the National Lottery to over €3.6 billion, with more than €1 billion of that sum raised in the last four years.

2010 was also an excellent year for players as they shared €419.9 million or 54.4% of total sales in prizes, up from 53.8% in the previous year.

Performance

The experience of lotteries internationally is that as recessionary conditions prevail there is a negative impact on sales. In Ireland, overall turnover in 2010 was down just over 5% in a difficult retail environment. Total sales were €772.0 million compared to €815.1 million in 2009.

Lotto related draw games continued to be the main product category accounting for €430.6 million or 55.8% of sales in 2010. Within this category, Lotto sales were €322.2 million, Lotto Plus sales were €94.3 million and Lotto 5-4-3-2-1 sales increased by 26.0% to €14.1 million.

EuroMillions generated sales of €98.6 million, while the associated EuroMillions Plus game, which is exclusive to Ireland, achieved sales of €33.2 million.

Throughout the year we continued to expand the range of Scratch Card games available. However, sales were affected by the general decline in footfall in retail stores during 2010 and were consequently down to €153.2 million from €163.8 million in the previous year.

Agus an tsuim a bailíodh i 2010 tugtha san áireamh, tá os cionn €3.6 billiún bailithe ag an gCrannchur Náisiúnta ó bunaíodh é agus le linn na gceithre bliana seo caite a bhailíodh níos mó ná €1 billiún de.

Ba shár-bhliain í 2010 d'imreoirí chomh maith agus roinneadh €419.9 milliún nó 54.4% den díolachán iomlán orthu mar dhuaiséanna. Méadú é seo ó 53.8% sa bhliain roimhe sin.

Feidhmíocht

Tá sé mar thaithí ag crannchuir go hidirnáisiúnta go mbíonn éifeacht dhiúltach ar dhíolachán nuair a bhíonn cúlú eacnamaíochta ann. In Éirinn bhí titim de bheagán thar 5% i 2010 ar an láimhdeachas agus an timpeallacht miondíola deacair. Bhí díolachán iomlán de €772.0 milliún ann i gcomparáid le €815.1 milliún i 2009.

Ba chluichí bainteach le Lotto an príomh-chineál táirge agus b'ionann iad is €430.6 milliún nó 55.8% den díolachán i 2010. Taobh istigh den chatagóir seo bhí díolachán de €322.2 milliún ar Lotto, díolachán de €94.3 milliún ar Lotto Plus agus bhí méadú 26.0% ar dhíolachán Lotto 5-4-3-2-1 go dtí €14.1 milliún.

Ghín díolachán ar EuroMillions €98.6 milliún agus bhain an cluiche gaolmhar, EuroMillions Plus, atá eisiach d'Éirinn, amach díolachán de €33.2 milliún.

Le linn na bliana chuireamar le raon na gcluichí scríobcháta a bhfuil fáil orthu. Mar sin féin, chuir an titim ginearálta ar líon na gcustaiméirí i siopaí miondíola le linn 2010 isteach ar an díolachán agus bhí íslíú air, dá réir, ó €163.8 milliún an bhliain roimhe sin go dtí €153.2 milliún.

There was encouraging growth in TellyBingo which, with the addition of a new Thursday draw in September, achieved increased sales of €15.3 million, up 7.2%. The daily game, All or Nothing, also demonstrated strong growth and generated sales of €9.9 million in its first full year.

Total sales of the Monday Million draw game were €20.6 million, with the launch of Monday Million Plus in May generating sales of €3.7 million of this amount.

In 2010, we built on the now well established limited edition raffle game format. First introduced in 2008 with one raffle draw, there were four raffle draws in 2009 as players responded well to the limited edition concept. During the year under review, we had two further millionaire raffles, to coincide with Easter and Christmas. We also introduced the new National Lottery Sweepstakes game giving raffle a new dimension. Together, the three raffle-based games generated sales of €10.6 million in 2010.

Through the ongoing expansion and innovation of its game portfolio, the National Lottery continues to raise excitement levels for players and generate funds for good causes. During 2010, we had a number of significant new game developments. In addition to Sweepstakes, these included the launch of Monday Million Plus and the addition of an extra draw day for TellyBingo.

During the year a total of over 36 million winners shared numerous prizes and promotions across the game portfolio. We had 25 Lotto Jackpot wins, up from 22 in 2009, including two of over €16 million, while in the EuroMillions game, players participated with great excitement in our two €100 million guaranteed superdraws.

Operations

A continued focus on cost management throughout 2010 resulted in a reduction in total operating expenses from €113.3 million in 2009 to €108.4 million.

Administrative costs, at €19.4 million, were down from €19.7 million in the previous year and accounted for 2.5% of sales, while variable costs of sales, including agents' commission at €48.1 million, were €86.2 million, down from €90.6 million in 2009.

Bhí fás spreagúil faoi TellyBingo, agus le crannchur úr an Déardaoin curtha leis ó mhí Mheán Fómhair, bhain sé amach díolachán de €15.3 milliún, ardú de 7.2%. Léiríodh fás láidir freisin faoin gcluiche laethúil, All or Nothing, agus ghin sé díolachán de €9.9 milliún le linn chéad bhliain iomlán a shaolré.

Bhí díolachán de €20.6 milliún ar an gcluiche crannchuir, Monday Million. Ghin díolachán Monday Millions Plus, a seoladh mí Bealtaine, €3.7 milliún den tsuim seo.

I 2010, thógamar ar fhormaid seanbhunaithe an chluiche crannchuir le rannpháirtíocht teoranta. Tosaíodh air i 2008 le crannchur amháin. Thaitin coincheap na rannpháirtíochta teoranta le himreoirí agus bhí ceithre chrannchur ann le linn 2009. Le linn na bliana atá faoi chaibidil bhí dhá chrannchur milliúnaí eile againn, um Cháisc is um Nollaig. Thairis sin, thugamar isteach cluiche National Lottery Sweepstakes, rud a thug diminsean nua don chrannchur. I bhfochair a chéile, ghin na trí chluiche crannchuir seo díolachán de €10.6 milliún i 2010.

Tríd a phunann cluichí a fhorbairt is a nuáil, leanann an Crannchur Náisiúnta de bheith ag cothú carabuaice i measc na n-imreoirí agus de bheith ag giniúint ciste airgid do dhea-chúiseanna. Le linn 2010 bhí forás suntasach ar chluichí nua. De bhreis ar an Sweepstakes, áirítear orthusan seoladh Monday Million Plus agus lá breise crannchuir do TellyBingo.

Le linn na bliana roinneadh duaiseanna agus promóisín iomadúla thar an phunann cluichí ar bhreis is 36 milliún buaiteoir. Buadh Pota Óir an Lotto 25 uaire – ardú ó 22 bua i 2009 – agus ina measc dhá bhua de bhreis is €16 milliún. Ag an am céanna, ghlac imreoirí sceitiméacha páirt sa dá ollchrannchur ina raibh €100 milliún geallta.

Oibríochtaí

Díríodh ar bhainistiú costais le linn 2010 ar fad agus bhí mar thoradh air seo gur laghdaíodh na costais oibríochta ó €113.3 milliún i 2009 go dtí €108.4 milliún.

Laghdaíodh na costais riaracháin ó €19.7 milliún sa bhliain roimhe sin go dtí €19.4 milliún. B'ionann iad agus 2.5% den díolachán. €86.2 milliún a bhí ar chostais athraitheacha, €48.1 milliún ar choimisiún na ngníomhairí san áireamh, titim ó €90.6 milliún i 2009.

As part of the National Lottery's retail development policy, we increased our number of retail agents to 3,813, a net increase of 19 locations compared to the previous year. We continued to improve player support across the network with self-service ticket checkers now installed in 89% of all agents.

Throughout the year, the management team and employees worked extremely hard to overcome many business challenges and deliver a strong performance. I would like to thank them all for their efforts, professionalism and commitment.

As chairman, I received much valued support and advice from the National Lottery Board throughout 2010. During the year, Niamh McGowan retired from the Board and I would like to thank her for her contribution over the past 12 years. I am also pleased to welcome Caroline Murphy to the Board.

During the year, the continued support of our shareholders, the Minister for Finance and An Post, was invaluable in our efforts to operate and develop the business.

Whilst the future retail environment in Ireland continues to be uncertain, we believe the ongoing focus on game innovation demonstrated by the National Lottery, together with its commitment to delivering cost efficiencies, will achieve further success in 2011.

I am confident that our strong commitment to the vision, mission and values of the National Lottery will ensure that we continue to raise much needed funds for good causes throughout the country and play an ongoing role in enhancing community life in Ireland.

Mar chuid de pholasáí forbartha miondíola An Chrannchuir Náisiúnta, mhéadaíomar líon na ngníomhairí miondíola go dtí 3,813, ardú glan de 19 ionad i gcomparáid leis an mbliain roimhe sin. Leanamar de bheith ag cothú thacaíocht na n imreoirí trí mheaisíní seiceála féinseirbhíse a chur isteach i 89% de na hasraonta.

Le linn na bliana d'oibrigh an fhoireann bainistíochta agus na fostaithe go dian dícheallach chun dúshlán ghnó iomadúla a shárú agus ardleibhéal feidhmíochta a bhaint amach. Ba dheas liom buíochas a ghabháil leo uile as a n iarrachtaí, a ngairmiúlacht agus a dtiomantas.

Mar chathaoirleach, fuair mé an-chuid tacaíochta agus comhairle ó Bhord an Chrannchuir Náisiúnta le linn 2010. D'éirigh Niamh McGowan as an mbord le linn na bliana agus ba mhaith liom buíochas a ghabháil léi as an méid a rinne sí le 12 bhliain anuas. Is áthas liom chomh maith fáiltiú roimh Caroline Murphy ar an mBord.

Le linn na bliana, bhí tacaíocht leanúnach ár scairshealbhóirí, an tAire Airgeadais agus An Post, fíorluachmhar agus sinn i mbun ár gcuid iarrachtaí chun an gnó a rith is a fhorbairt.

Siúd is go leanann cúinsí miondíola in Éirinn de bheith éiginnte creidimid go mbeidh rath orainn i 2011 ach leanúint de bheith ag díriú ar nuálaíocht cluichíochta, mar atá léirithe ag an gCrannchur Náisiúnta, anuas ar a thiomantas chun costais a chiorrú.

Táim deimhin de go gcinnteoidh ár dtiomantas daingean d'fhís, do mhisean agus do luachanna an Chrannchuir Náisiúnta go n éireoidh linn leanúint de bheith ag gnóthú cistí airgid, a bhfuil géarghá leo, do dhea chúiseanna ar fud na tíre agus go leanfaimid lenár ról leanúnach chun saol an phobail in Éirinn a fheabhsú.

Review of Operations

Athbhreithniú Oibríochta

With sales of €772.0 million and €243.7 million raised for good causes, we delivered another robust performance in 2010. Since 1987, the National Lottery has raised over €3.6 billion for distribution by the Government to good causes throughout Ireland. In the last four years alone, we have generated over €1 billion of that total due to our strong operating performance.

D’fheidhmíomar go láidir arís i 2010 agus díolachán de €772.0 milliún bainte amach againn agus €243.7 milliún bailithe do dheacha-chúiseanna. Ó 1987 i leith tá an Crannchur Náisiúnta tar éis €3.6 billiún a bhailiú le dáileadh ag an Rialtas ar dheacha-chúiseanna ar fud na hÉireann. Le ceithre bliana anuas amháin, ghineamar os cionn €1 billiún den tsuim sin de bharr ár bhfeidhmíocht stóinsithe oibriúcháin.

a buadh agus a roinneadh ar bhreis is 2.2 milliún imreoir thar 12 catagóirí éagsúla cluichí de chuid an Chrannchuir Náisiúnta i 2010.

is the amount raised for good causes by the National Lottery since 1987.

an tsuim a ghnóthaigh an Crannchur Náisiúnta do dhea-chúiseanna ó 1987 i leith.

In 2010, we faced challenges presented by the ongoing recession, changes in consumers' shopping habits and the effect of the unexpectedly bad weather conditions particularly around the traditionally busy Christmas shopping season.

Players

Player participation rate remained high with almost two thirds of all adults playing National Lottery games on a regular basis.

Our 2.2 million players shared winnings of €419.9 million across our exciting portfolio of 12 different game categories during 2010. On average, the National Lottery paid out over €1 million every day of the year in tax free winnings to our players.

It was an excellent year for players as the number of jackpot wins was above statistical expectations. In addition to the many large jackpot wins, 897 players won prizes over €10,000.

During the year, we continued our strategy of offering attractive game choices to our players and introduced a number of innovative game developments. These included the launch of Monday Million Plus, the limited edition National Lottery Sweepstakes game and the extension of TellyBingo to three draws per week.

As part of our brand building strategy, a new masterbrand TV advertisement, filmed in Dublin, went on air in August. This attractive advertisement involved hundreds of people in a contemporary Irish setting and brought the 'making magic happen' theme to life as a magical rainbow was created. Its uplifting soundtrack, the Elvis Presley song 'Pocketful of Rainbows,' has become extremely popular with our players.

I 2010 chaitheamar aghaidh a thabhairt ar dhúshlán de dheasca an chúlú leanúnach eacnamaíochta, athruithe ar nósanna siopadóireachta ár gcustaiméirí agus an éifeacht a bhí ag an drochaimsir a tháinig gan choinne le linn tréimhse gnóthach siopadóireachta na Nollag.

Imreoirí

Lean an ráta rannpháirtíochta de bheith ard agus d'imir nach mór dhá thrían d'aoisigh uile na tíre cluichí an Chrannchuir Náisiúnta ar bhonn rialta.

Roinneadh €419.9 milliún de dhuaischiste ar ár 2.2 milliún imreoir inár bpunann spreagúil de 12 catagóir cluichí le linn 2010. Mar mheán, d'íoc an Crannchur Náisiúnta os cionn €1 milliún gach lá le linn na bliana mar dhuaisianna saor-ó-cháin lenár n-imreoirí.

Sár bhliain a bhí ann d'imreoirí toisc go raibh líon na bpotaí óir a buadh thar mar a bheifí ag súil leis go staitistiúil. Anuas ar an líon mór potaí óir a buadh, bhain 897 imreoirí duaiseanna ar mhó iad ná €10,000.

Le linn na bliana leanamar d'ár straitéis de bheith ag soláthar roghanna mealltacha cluichí d'ár n-imreoirí agus thugamar isteach roinnt forbairtí cluichíochta nuálaíocha. Orthusan bhí seoladh Monday Million Plus, cluiche National Lottery Sweepstakes le rannpháirtíocht theoranta agus leathnú TellyBingo go dtí trí chrannchur sa tseachtain.

Mar chuid d'ár straitéis chun branda a fhorbairt, cuireadh ár bhfógra nua máistir-bhranda, a scannánaíodh i mBaile Átha Cliath, ar an aer mí Lúnasa. Bhí na céadta daoine páirteach i dtimpeallacht chomhaimseartha Éireannach agus tagann an téama 'déantar draíocht' chun beochta nuair a cruthaítear bogha ceatha draíochta. Tá an-tóir ag ár n-imreoirí ar an bhfuaimrian meanmnach, an t-amhrán 'Pocketful of Rainbows', le Elvis Presley.

Lotto

Leanann na cluichí, a bhaineann le Lotto, de bheith ina chrann seoil i measc tháirgí an Chrannchuir Náisiúnta. Is ionann iad agus 55.8% den díolachán iomlán.

Le linn 2010 bhí díolachán de €322.2 milliún ar Lotto le hais €336.0 milliún an bhliain roimhe sin.

Bhuaigh imreoirí iomlán de €161.1 milliún de dhuaiseanna Lotto agus bhí an-spéis agus sceitimíní ag baint leis an dá phota móra óir a buadh le linn na bliana. Le linn na bliana d'éirigh leis an gcluiche mór-thóir Lotto leanúint de bheith ag cur sceitimíní ar imreoirí agus feabhsaíodh é le sraith de phomóisin speisialta.

Cuireadh €2 milliún leis an bpota óir i lár Eanáir, rud a chruthaigh pota óir de €7,457,357, a bhuaigh Michelle Ryan ó Fhardroim, Baile Átha Luain, Co. na hIarmhí. Tús den scoth lena bliain!

Bhí promóisean duaise ar leith againn do dheireadh seachtaine Shaorlá Bainc na Bealtaine agus cuireadh €2 milliún leis an bpota óir do chrannchur Lotto an tSathairn.

In August, we launched our new style Lotto advertising campaign. Based on the concept ‘What would you do for a few million euro,’ it shows characters in a number of humorous situations illustrating the lengths they would go to gain a Lotto jackpot amount.

During September and October, we witnessed the longest Lotto rollover of the year in the build up to the €16,390,239 Lotto jackpot win collected on 27 October by the owner of a ticket bought in Donnybrook Fair, Dublin.

Given that Christmas Day fell on a Saturday in 2010, we held our Lotto draw on Christmas Eve adding €1 million to the jackpot to celebrate the festive season. The resulting €3 million jackpot win proved to be the ultimate Christmas present for a lucky Co. Cork couple who said that the real bonus coming from this win was ‘not having to worry about the day-to-day stuff like the mortgage and the bills’.

Lotto Plus

Lotto Plus sales were €94.3 million compared to €97.5 million in the previous year. Players shared €45.0 million in prizes, with 25 winners of the €350,000 Lotto Plus 1 top prize and a further 25 winners of the €250,000 Lotto Plus 2 top prize. This total of 50 top prize winners represented a significant increase on the previous year when we had 44 top prize winners in Lotto Plus. More Lotto players than ever now play Lotto Plus as well, with nearly 90% of players playing both games.

Mí Lúnasa, sheolamar ár bhfeachtas nua-stíle fógraíochta do Lotto. Bunaithe ar an gcoincheap ‘Cad a dhéanfa chun roinnt milliún euro a fháil’, léiríonn sé carachtair faoi chúinsí greannmhara éagsúla agus na cleasa a tharraingíonn siad chucu féin chun pota óir Lotto a fháil.

Le linn mí Mheán Fómhair is mí Dheireadh Fómhair, chonaiceamar an tar rolladh Lotto ba fhaide le linn na bliana roimh bhua an phota óir de €16,390,239 a bhailigh úinéir thicéid a ceannaíodh i Donnybrook Fair, Baile Átha Cliath ar 27 Deireadh Fómhair.

Ag cur san áireamh go raibh Lá Nollag ann Dé Sathairn i 2010 bhí ár gcrannchur Lotto againn Oíche Nollag agus chuireamar €1 milliún leis an bpota óir chun an fhéile a cheiliúradh. Bhí bua an phota óir de €3 milliún, a bhí mar thoradh air seo, ina fhéirín Nollag den scoth ag lánúin ádhúil ó Chontae Chorcaí a dúirt gurbh é an fíor-bhónas a d’eascair as an mbua ná ‘gan a bheith buartha feasta faoi chúramaí laethúla mar an morgáiste agus na billí’.

Lotto Plus

Bhí díolachán de €94.3 milliún ar Lotto Plus i gcomparáid le €97.5 milliún an bhliain roimhe sin. Players had a special Valentine's treat in February when all winners of Match 5 plus Bonus number prizes also won €100,000 worth of diamonds. There were four such winners on the Lotto Plus games with tickets bought in Kilmacanogue, Co. Wicklow; Ennis, Co. Clare; Clifden, Co. Galway and Mullinahone, Co. Tipperary where the winner was a syndicate of players from Coolmore Stud.

Lotto 5-4-3-2-1

Lotto 5-4-3-2-1 grew significantly in 2010, with sales up 26.0% to a record €14.1 million from €11.2 million in the previous year, boosted by the full year effect of Lotto 5-4-3-2-1 Plus 1 and Plus 2.

The decision to extend this game to include the Plus draws in 2009, proved popular with players as they continued to show their loyalty to the game format. Prizes won amounted to €9.4 million, or 66.5% of total sales, representing a very favourable return to players.

EuroMillions

Sales of the mega jackpot EuroMillions game were €98.6 million which represented 12.8% of total sales, compared to the €105.7 million in 2009.

The percentage of EuroMillions players who also play EuroMillions Plus increased from 65% in 2009 to 67% in the course of the year. EuroMillions Plus sales were €33.2 million in 2010.

Over the last few years, the main EuroMillions game has been very popular across the nine participating countries. However, this had an impact on the regularity with which the jackpot was won throughout 2010, resulting in a lack of big jackpot rolls which in turn had an impact on the level of sales.

Bhí pléisiúr ar leith in ann d'imreoirí Lá San Vailintín m'Feabhra nuair a ghnóthaigh buaiteoirí uile Match 5 plus Bonus duais bhreise de dhiamaint dar luach €100,000. Bhí ceithre bhuaiteoir den chineál seo ann a cheannaigh ticéid i gCill Mocheanóg, Co. Chill Mhantáin; in Inis, Co. an Chláir; sa Chlochán, Co. na Gaillimhe agus i Muileann na hUamhan, Co. Thiobraid Árann, áit ar shindeacáit ó Coolmore Stud a bhí ina bhuaiteoir.

Lotto 5-4-3-2-1

Bhí fás suntasach faoi Lotto 5-4-3-2-1 i 2010 agus méadaíodh an díolachán 26.0% go dtí ard-leibhéal de €14.1 milliún i comparáid le €11.2 milliún an bhliain roimhe sin. Bhí éifeacht air seo ag bliain iomlán de Lotto 5-4-3-2-1 Plus 1 agus Plus 2

Thaitin sé le himreoirí gur glacadh an cinneadh i 2009 crannchuir Plus a chur leis an gcluiche agus lean siad de bheith ag léiriú dílseachta d'fhormáid an chluiche. Buadh luach €9.4 milliún de dhuaiseanna arbh ionann iad agus 66.5% den díolachán iomlán. Fáltas fabhrach a bhí anseo d'imreoirí.

EuroMillions

Bhí díolachán de €98.6 milliún ar chluiche EuroMillions gona phota óir ollmhór i gcomparáid le €105.7 milliún i 2009. B'ionann é seo agus 12.8% den díolachán iomlán.

Mhéadaigh an céatadán d'imreoirí EuroMillions a imríonn EuroMillions Plus chomh maith ó 65% i 2009 go dtí 67% i gcaitheamh na bliana. Bhí díolachán de €33.2 milliún ar EuroMillions Plus i 2010.

Le blianta beaga anuas, bhí an-tóir ar an bpríomh-chluiche EuroMillions sna naoi dtíortha a ghlacann páirt ann. Mar sin féin, bhí éifeacht aige seo ar cé chomh rialta is a buadh an pota óir le linn 2010, rud a d'fhág gur beag tar-rolladh mór a bhí ag an bpota óir. D'fhág an toradh seo a rian ar an leibhéal díolacháin.

There was a €100 million Superdraw in February 2010 which, after a rollover, resulted in €129 million being shared by two winning tickets, one bought in UK and the other in Spain.

Following the offer of another €100 million guaranteed prize in October, the largest single jackpot of the year of €129.8 million was won in the UK on 8 October, 2010. This was Britain's biggest ever EuroMillions winner.

A total of €67.3 million was won by Irish players on EuroMillions and EuroMillions Plus games during 2010. We had as many as 21 players who were just one lucky star number away from winning big jackpots. The highest of these Irish Match 5 plus Lucky Star win was €856,451 in April with a ticket bought in Cushens Good News, Portlaoise.

11 players won the €500,000 top EuroMillions Plus prize. We also had our first big online EuroMillions winner with €632,452 won in September by a Dublin based player.

In the course of the year, there were a number of special EuroMillions promotions including the doubling of all EuroMillions Plus prizes for two draws in April and again in June.

On average, over 37,000 players in Ireland won cash prizes in EuroMillions games each week of the year.

Bhí Ollchrannchur ar €100 milliún ann mí Feabhra 2010. Bhí de thoradh air seo gur roinneadh €129 milliún, i ndiaidh tar-rollta, ar dhá thicéad buachana, ceann acu a ceannaíodh sa RA agus an ceann eile sa Spáinn.

Agus duais eile de €100 milliún rathaithe mí Dheireadh Fómhair, buadh an pota óir ba mhó sa bhliain, €129.8 milliún, sa RA ar 8 Deireadh Fómhair, 2010. Bé seo an buaiteoir EuroMillions ba mhó riamh sa Bhreatain.

Bhuaigh imreoirí Éireannacha iomlán de €67.3 milliún ar chluichí EuroMillions agus EuroMillions Plus le linn 2010. Bhí suas le 21 imreoir againn nach raibh ach uimhir réalta ádhúil amháin gann ar cheann de na potaí óir móra a bhuachan. Bé €856,451 an duais Éireannach ba airde a bhuaigh Match 5 plus Lucky Star. B'in mí Aibreáin agus ceannaíodh an ticéad i siopa Cushens Good News, Port Laoise.

Bhuaigh 11 imreoirí barr-dhuais EuroMillions Plus de €500,000. Bhí ár gcéad mhór-bhuaiteoir EuroMillions ar líne againn mí Mheán Fómhair nuair a bhuaigh imreoir i mBaile Átha Cliath €632,452.

I gcaitheamh na bliana bhí roinnt promóisean speisialta EuroMillions ann, ina measc dúbláil dhuaiseanna EuroMillions Plus do dhá chrannchur mí Aibreáin agus arís mí an Mheithimh.

Ar an meán, bhuaigh 37,000 imreoir in Éirinn duaiseanna airgid i gcluichí EuroMillions gach seachtain le linn na bliana.

Scratch Card Games

Ireland's National Lottery first launched in March 1987 with a Scratch Card game and this category has been an important pillar of our business ever since. Sales of Scratch Card games in 2010 were €153.2 million compared with €163.8 million sales in the previous year. Scratch Cards accounted for 19.8 % of overall turnover, making this product category the second largest after Lotto.

As an impulse purchase, Scratch Card sales were affected by the general reduction in footfall in retail outlets experienced in 2010. This was compounded by the bad weather conditions early in the year and again in December, together with overall changes in consumers' shopping patterns.

Throughout the year, we continued the policy of offering customers a choice of different styles of Scratch Card games for different occasions including Congratulations, Easter Money, Festive Fortune and Hampers & Roses.

We also launched a number of themed games such as Pac-Man, Treasure Ireland and Scrabble. In all, we had 38 different Scratch Card games on offer at various stages during the year, ranging in price from €1 to €10.

Players won €99.7 million in prizes including cash, cars and holidays.

Mar bhíogcheannach, chuir an titim ginearálta i líon na gcustaiméirí in asraonta miondíola isteach ar dhíolachán Scríobcháirte i 2010. Rinne an drochaimsir i dtús na bliana agus arís mí na Nollag, anuas ar athruithe ar nósanna siopadóireachta thomhaltóirí, an scéal níos measa fós.

For an extra 50 cent, players now have a chance of winning €500,000 in an extra draw which takes place live on TV3 in conjunction with the main Monday Million draw.

Winners of the Monday Million draw shared €9.2 million in prizes during 2010. Already €2.2 million has been paid out to Monday Million Plus winners, with the first of three top prizes won in August.

For the October Bank Holiday weekend, in addition to the usual prize of €10,000, a Mitsubishi ASX car worth €25,000 was on offer for players who matched 5 numbers and the Bonus number in Monday Million and Monday Million Plus draws. We had one winner with the ticket sold in Superquinn, James Street, Kilkenny.

Millionaire Raffle/Sweepstakes

Our first Millionaire Raffle game was introduced in 2008 and we extended the game to four draws in 2009.

In the course of 2010, we continued with two Millionaire Raffle draws – one at Easter and one at Christmas – and also introduced players to an exciting variation on the limited edition theme with National Lottery Sweepstakes.

Monday Million

Bhí díolachán iomlán de €20.6 milliún ar chluichí Monday Million agus bé cluiche Monday Million Plus, a seoladh ar 10 Bealtaine, ba chionsiocair le €3.7 milliún den tsuim seo.

Bíonn deis anois ag imreoirí, ar chostas breise de 50 cent, €500,000 a bhuachan i gcrannchur breise a dhéantar beo ar TV3 i gcomhpháirt le príomh chrannchur Monday Million.

Roinneadh luach €9.2 milliún de dhuaiseanna ar bhuaiteoirí chrannchur Monday Million i 2010. Cheana féin tá €2.2 milliún díolta amach do bhuaiteoirí Monday Million Plus, leis an gcéad cheann de thrí bharr-dhuais a buadh mí Lúnasa.

Ar dheireadh seachtaine Shaorlá Bainc mhí Dheireadh Fómhair, tairgeadh carr Mitsubishi ASX, dar luach €25,000, d'imreoirí a mheaitseáil 5 uimhir agus an uimhir Bhónais i gcrannchuir Monday Million agus Monday Million Plus, anuas ar an ngnáth-dhuais de €10,000. Bhí buaiteoir amháin againn agus díoladh an ticéad i siopa Superquinn, Sráid Shéamais, Cill Chainnigh.

Millionaire Raffle/Sweepstakes

Seoladh ár gcéad chluiche Millionaire Raffle i 2008 agus leathnaíomar an cluiche go dtí ceithre chrannchur i 2009.

Le linn 2010 leanamar le dhá chrannchur Millionaire Raffle – ceann um Cháisc agus ceann um Nollaig. Chuireamar malairt leagain, bunaithe ar rannpháirtíocht teoranta, ar fáil d'imreoirí le National Lottery Sweepstakes.

The charities who benefitted from this special National Lottery TV Gameshow were Barnardos; Our Lady's Children's Hospital, Crumlin; Clare Crusaders; DSPCA; Irish Heart Foundation; Irish Premature Babies; Barretstown; Bóthar; Simon Community and Lauralynn Hospice.

I 2010, rinne an Crannchur Náisiúnta urraíocht ar **Sheóchluiche speisialta teilifíse Celebrity Winning Streak** a craoladh Oíche na Seanbhliana 2010 ar theilifís RTÉ 1.

Sároíche, lán de spraoi, a bhí ann agus ar na réaltaí a ghlac páirt inti thar ceann a rogha cumann carthanachta bhí Nicky Byrne ó Westlife; Katie Taylor, Dornálaí an Bhoinn Óir; Sharon Shannon, Ceoltóir; Jim Bartley, Aisteoir, agus Neven Maguire, an Príomhchócaire Iomráiteach. Eatarthu, bhain siad €199,200 dá rogha cumann carthanachta.

B'iad na cumainn carthanachta a bhain leas as Seóchluiche teilifíse speisialta seo an Chrannchuir Náisiúnta ná Barnardos; Ospidéal Naomh Muire um Leanaí Breoite, Croimghlinn; Clare Crusaders; an DSPCA; an Irish Heart Foundation; Irish Premature Babies; Barretstown; Bóthar; an Simon Community agus an Lauralynn Hospice.

This game had an innovative feature in that the top 25 winners were paired with 25 horses in the National Lottery Sweepstakes Race at the Curragh Racecourse on Derby Day, 27 June.

These winners and their guests enjoyed a VIP weekend at the K Club which culminated in an exciting afternoon at the Curragh when the overall €1 million winner was determined by the outcome of the race. Trevor Cawley from Sligo was the lucky millionaire winner, while all the other finalists won cash prizes ranging from €10,000 to €500,000.

In addition to the National Lottery Sweepstakes winner, there were a total of four other millionaires created by Millionaire Raffle. At Easter a €1 million winning ticket was bought in Swords, Co. Dublin and another in Navan, Co Meath, while at Christmas €1 million wins went to Cork and Waterford where the eight member syndicate from Brady's Quality Foods shared the prize.

Millionaire Raffle and the associated National Lottery Sweepstakes game generated sales of €10.6 million in 2010.

All or Nothing

2010 was the first full year of the daily All or Nothing game. Launched in October 2009, this game became established in the National Lottery portfolio during the year. Sales were €9.9 million, up from €3.4 million in 2009. This draw takes place in the National Lottery Head Office each evening under the supervision of KPMG.

Bhí gné nuálaíoch ag baint leis an gcluiche sa mhéid gur nascadh an 25 barr bhuaiteoir le 25 capall i Rás National Lottery Sweepstakes ar Ráschúrsa an Churraigh Lá an Derby, 27 Meitheamh.

Bhí deireadh seachtaine macnasach ag na buaiteoirí agus ag a n aónna sa K Club, a raibh tráthnóna sceitimíneach ar an gCurragh mar bhuaicphointe aige, nuair a chinn toradh an rása cé a bheadh mar ghlan bhuaiteoir an €1 milliúin. Bé Trevor Cawley ó Shligeach a bhí mar bhuaiteoir ádhúil an mhilliúin. Fuair gach iomaitheoir ceannais eile duais airgid idir €10,000 agus €500,000.

De bhreis ar bhuaiteoir National Lottery Sweepstakes chruthaigh an Millionaire Raffle iomlán de cheithre mhilliúnaí eile. Ceannaíodh ticéad a bhuaigh €1 milliún ag Sord, Co. Bhaile Átha Cliath agus ceannaíodh ceann eile san Uaimh, Co. na Mí. Um Nollaig d'imigh duaiseanna de €1 milliún go Corcaigh agus Port Láirge araon mar a roinneadh an duais ar ochtar comhalta de shindeacáit ó shiopa Brady's Quality Foods.

Ghin Millionaire Raffle agus a chluiche gaolmhar, National Lottery Sweepstakes, díolachán €10.6 milliún i 2010.

All or Nothing

Bé 2010 an chéad bhliain iomlán do chluiche laethúil All or Nothing. Tar éis a bhunaithe mí Dheireadh Fómhair 2009 bunaíodh é mar chuid de phunann cluichí an Chrannchuir Náisiúnta le linn na bliana. Baineadh amach díolachán de €9.9 milliún, méadú ó €3.4 milliún i 2009. Tarlaíonn an crannchur seo in Ardoifig an Chrannchuir Náisiúnta gach tráthnóna faoi stiúir KPMG.

In total, €6.1 million was paid out in prizes, with six top prize winners winning €500,000 each. Five of these won as a result of having all 12 winning numbers correct, including Grace Sherry from Ballymote, Co. Sligo who purchased her ticket in Supervalu, Ballymote. A Cork couple who matched no numbers on their All or Nothing ticket purchased in Mace Store in Pouladuff Road, Cork also won €500,000. The husband regularly matches 10 numbers and couldn't believe he'd won top prize for matching none!

National Lottery Play Online

National Lottery Play Online participation continues to grow and we now have 15,000 players playing our draw games and instant win games online. This represents a 150% increase from the 6,000 players who registered to play online in 2009.

Revenue from this channel of business has also increased significantly, up to €3.7 million from €744,000 in 2009, as players enjoy the convenience of playing Lotto, EuroMillions and instant win games over the internet.

As internet usage increasingly becomes part of players' daily lives, we expect that this business channel will continue to be an important growth area for the National Lottery.

In 2010, we had our first online Lotto jackpot win when €5,513,556 was won by a Cork based online family syndicate in February. One of the family members hoped to realise a long-held ambition by travelling to Australia and scuba diving in the Barrier Reef.

Díoladh amach iomlán de €6.1 milliún mar dhuaiseanna agus bhain an seisear barr-bhuaiteoir €500,000 an duine. Bhuaigh cúigear díobh seo toisc gach ceann den 12 uimhir bhuachana a bheith ceart acu, ina measc Grace Sherry ó Bhaile an Mhóta, Co. Shligigh. Cheannaigh sise a ticéad i siopa Supervalu, Baile an Mhóta. Bhain lánúin ó Chorcaigh nár mheaitseáil aon uimhir ar a dticéad All or Nothing, a bhí ceannaithe acu sa Mace Store, Bóthar an Phoill Dhuibh, Corcaigh, €500,000 freisin. Is gnách leis an bhfear céile 10 n uimhir a mheaitseáil agus chuaigh sé rite air a chreidiúint gur bhain se an bharr-dhuais is gan aon cheann meaitseáilte aige!

Imir ar Líne an Chrannchuir Náisiúnta

Tá rannpháirtíocht Imir Ar líne an Chrannchuir Náisiúnta ag síor-fhás agus tá 15,000 imreoir anois againn a imríonn ár gcluichí crannchuir is ár cluichí tob-bhuachana ar líne. Is ionann é seo agus fás 150% ar an 6,000 imreoir a bhí cláraithe chun imeartha ar líne i 2009.

Tháinig méadú suntasach freisin ar theacht isteach ón mbealach seo gnó – méadú go €3.7 milliún ó €744,000 i 2009 – de réir mar thaitin sé le himreoirí a áisiúla is a bhí sé ar an idirlíon Lotto, EuroMillions agus na tob cluichí a imirt.

De réir mar a bhíonn úsáid laethúil an idirlín ag fás mar chuid de shaol laethúil imreoirí, beimid ag súil dá réir go mbeidh an bealach seo gnó ina earnáil thábhachtach fairs don Chrannchuir Náisiúnta.

Bhí ár gcéad bhua den phota óir Lotto ar líne againn i 2010 nuair a bhain sindeacáit teaghlach ar líne ó Chorcaigh €5,513,556 mí Feabhra. Theastaigh ó dhuine amháin den teaghlach le fada taisteal chun na hAstráile agus dul ag tumadóireacht scuba sa Mhórsceir Bhacainneach.

Coláiste Mhuire Community Sports is a unique schools/ community partnership where the school board, along with the local community, worked together to provide all weather playing facilities for the students. National Lottery assistance also helped with the provision of dressing room facilities and floodlighting.

Tennis, soccer and Irish language camps are run during the summer. Coláiste Mhuire Community Sports has two all weather pitches and a sports hall. Funding has been raised by the local community's fundraising efforts, along with the Parents Council. These sports facilities are also used by the various club and sporting organisations in Johnstown and the surrounding areas.

Comhpháirtíocht ar leith idir scoileanna agus an pobal í **Spóirt Phobail Choláiste Mhuire** (Coláiste Mhuire Community Sports) inar shaothraigh bord na scoile, agus an pobal áitiúil taobh leo, chun áiseanna imeartha uile aimsire maille le halla spóirt a sholáthar do na mic léinn. Chabhraigh cúnamh ón gCrannchur Náisiúnta freisin le soláthar sheomraí gléasta agus le tuilsoilsiú.

Eagraítear campaí leadóige, sacair agus Gaeilge le linn an tsamhraidh. Tá dhá pháirc imeartha uile aimsire maille le halla spóirt ag Spóirt Phobail Choláiste Mhuire. Sholáthair iarrachtaí cistíochta an phobail áitiúil, maille le Comhairle na dTuismitheoirí, an maoiniú. Baineann cumainn agus eagraíochtaí spóirt i mBaile Sheáin agus an ceantar máguaird úsáid as na háiseanna spóirt seo chomh maith.

Throughout 2010, there was a continued focus on technical and digital communications development. We enhanced our website and introduced a new iPhone application with a number of features including results checking and random number generation options.

Operations

The level of activity required to support the growing National Lottery game portfolio continues to rise. In 2010, the total number of individual transactions handled was 267 million. During the year, we managed 854 individual draws and now have 22 regular game draws per week.

Total operating expenses for the year were €108.4 million, down 4.3% from €113.3 million in the previous year. This includes €48.1 million agents' commission representing 6.2% of total sales. In line with the reduction in sales volumes, commission paid to agents was down by 5.6% from €50.9 million in 2009.

Other costs of sales also reduced, down to €38.1 million from €39.6 million in the previous year. Administration costs for the year were reduced to €19.4 million from €19.7 million and equate to 2.5% of sales.

Our retail side of the business continues to grow and at the end of 2010, we had 3,813 agents, up from 3,794 in the previous year.

We continued to improve our player support services in store with the installation of 930 self service ticket checkers, bringing the total number in stores to 3,400. We also upgraded 950 stores to improve broadband capability and continued the roll-out of digital display screens in the top retail outlets.

Le linn 2010 bhí fócas leanúnach ar fhorbairt na cumarsáide teicniúla agus digití. D'fheabhsaíomar ár suíomh gréasáin agus thugamar isteach feidhmchlár iFón le raon gnéithe ar a n-áirítear seiceáil torthaí agus roghanna chun uimhreacha randamaí a ghiniúint.

Oibríochtaí

Bíonn an leibhéal gníomhaíochta a bhíonn riachtanach chun freastal ar phunann cluichí an Chrannchuir Náisiúnta, atá ag fás, ag méadú i gcónaí. I 2010 láimhseáladh 267 milliún idirbheart aonair. Le linn na bliana, bhí 854 crannchur ar leith ann agus bíonn 22 cluiche crannchuir in aghaidh na seachtaine anois againn.

Bhí €108.4 milliún ar chostais oibríochta iomlána na bliana, laghdú 4.3% ó €113.3 milliún an bhliain roimhe sin. Áirítear anseo €48.1 milliún ar choimisiún ghníomhairí, arbh ionann é agus 6.2% den díolachán iomlán. Ag teacht leis an laghdú ar mhéid an díolacháin, bhí laghdú 5.6% ar an gcoimisiún a fócadh le gníomhairí ó €50.9 milliún i 2009.

Laghdaíodh chomh maith costais eile díolacháin go €38.1 milliún ó €39.6 milliún an bhliain roimhe sin. Laghdaíodh na costais riaracháin don bhliain go dtí €19.4 milliún ó €19.7 milliún agus is ionann iad agus 2.5% den díolachán.

Leanann taobh miondíola d'ár ngnó de bheith ag fás agus faoi dheireadh 2010, bhí 3,813 gníomhaire againn, méadú ó 3,794 an bhliain roimhe sin.

Leanamar de bheith ag feabhsú ár seirbhísí tacaíochta d'imreoirí sna siopaí trí 930 meaisín féinseirbhís seiceála ticéad a chur ar fáil, rud a fhágann go bhfuil 3,400 díobh ar fáil anois sna siopaí. D'uasghradaíomar 950 siopa chun a n-acmhainní leathanbhanda a fheabhsú agus leanamar de rolladh amach scáileán digiteacha taispeána sna hasraonta miondíola is mó.

During the year, our employee numbers increased by 4 to 103 people as we employed additional resources to develop our internet capability and handle the increased number of games and draws on the market.

I'd like to thank everyone working in the National Lottery for their hard work and commitment during the year, together with our agents who continue to provide much valued support at retail level.

The National Lottery is committed to operating to the highest possible standards and to maintaining accreditation to a number of internationally recognised business standards.

The operation of a Quality Management System and an Information Security Management System resulted in the Company maintaining accreditation to ISO 9001 and ISO 27001 respectively during the year under review. We have also achieved accreditation to the World Lottery Association's Security Control Standard which specifies security control requirements specific to Lottery operations.

Last year, the National Lottery achieved certification to the ISO 14001 Environmental Management System Standard, which provides us with a risk management tool to control, manage and improve its impact on the environment.

Le linn na bliana chuireamar ceathrar le líon ár bhfostaithe, méadú go dtí 103, de réir mar a chuireamar acmhainní breise ar fáil chun cur lenár gcumas idirlín agus déileáil le líon méadaithe na gcluichí is na gcrannchur ar an margadh.

Ba mhaith liom buíochas a ghabháil le gach duine atá ag obair sa Chrannchur Náisiúnta as a gcruashaothar is a dtiomantas le linn na bliana chomh maith lenár ngníomhairí a sholáthraíonn go leor tacaíochta luachmhara ar an leibhéal miondíola.

Tá an Crannchur Náisiúnta tiomanta d'fheidhmiú de réir na gcaighdeán is airde do choinneáil an chreidiúnaithe do roinnt caighdeán gnó atá aitheanta go hidirnáisiúnta.

Trí Chóras Bainistíochta Cáilíochta agus trí Chóras Bainistiú Slándáil Faisnéise a fheidhmiú fuaireamar creidiúnú do ISO 9001 agus ISO 27001 faoi seach le linn na bliana atá faoi chaibidil. Bhaineamar amach freisin creidiúnú do Chaighdeán Rialú Slándála an World Lottery Association, a leagann síos riachtanais rialú slándála atá sainiúil d'oibríochtaí Crannchuir.

Anuraidh bhain an Crannchur Náisiúnta amach creidiúnú do ISO 14001, Caighdeán Chóras Bhainistiú na Timpeallachta, a sholáthraíonn uirlis bhainistíocht riosca chun a éifeacht ar an timpeallacht a rialú, a bhainistiú is a fheabhsú.

39 Big Money TV Gameshow winners

and their guests travelled to New York in October 2010 with the National Lottery for the trip of a lifetime. RTÉ TV Gameshow host Brian Ormond and his fiancée Pippa O'Connor accompanied the winners on their adventures.

During their six-day luxury break, the winners went to see smash-hit Broadway show 'Billy Elliott'; took helicopter rides across the Hudson River; enjoyed evening dinner on the 'Star of America' luxury yacht, against the nighttime backdrop of an uplit Statue of Liberty and the Manhattan skyline.

All winners also won €2,500 as part of their prize and were able to treat themselves to some retail therapy on 5th Avenue.

Thaistéal 39 buaiteoirí Sheóchluiche

teilifíse Big Money, maille lena n-aíonna, go Nua Eabhrach mí Dheireadh Fómhair 2010 leis an gCrannchur Náisiúnta ar thuras a saoil. Thionlaic oirfideach an tSeóchluiche teilifíse de chuid RTÉ, Brian Ormond agus an bhean atá geallta leis, Pippa O'Connor iad ar a gcuid eachtraí.

Le linn a sósaoire shé lá d'fhreastail na buaiteoirí ar sheó mhór-chlú Broadway 'Billy Elliott'; chuaigh siad ar thurais héilecaptair thar Abhainn an Hudson; d'itheadar dinnéar ar shó-luamh 'Star of America' agus Dealbh na Saoirse faoi shoilsí agus imlíne Manhattan istoíche mar chúla acu.

Bhuaigh na buaiteoirí €2,500 an duine chomh maith mar chuid dá nduais, rud a d'fhág go raibh siad in ann ábhairín 'teiripe miondíola' a bhlaiseadh ar 5th Avenue.

Responsible Gaming

The National Lottery is committed to best practice in relation to responsible gaming. A key issue for us in raising as much money as we can for good causes is to ensure that the National Lottery does not encourage excessive play and that National Lottery tickets are not sold to persons under 18 years of age.

While it is generally accepted internationally that lottery draw-based games carry lower risks than other forms of gaming, we are constantly vigilant in ensuring that we continue to operate in a socially responsible way. We have a corporate social responsibility programme in place, with the protection of minors and the potentially vulnerable at the very heart of its ethos.

Our website also offers practical guidance for players who are concerned that gaming may be playing too large a part in their lives.

Sponsorship

We were pleased to sponsor National Lottery Skyfest again in 2010 as part of the St. Patrick's Festival celebrations. This spectacular fireworks event was broadcast live on RTÉ One Television from Limerick against the dramatic backdrop of King John's Castle. Crowds of over 50,000 people attended the spectacle on Saturday 13 March and also participated in a live Lotto draw with €2 million added.

In addition, over 250,000 TV viewers were able to enjoy the National Lottery Skyfest broadcast which featured footage from several good causes that have received National Lottery funding, including the new Thomond Park Stadium.

Cearrbhachas Freagrach

Tá an Crannchur Náisiúnta tiomanta do dhea-chleachtas maidir le cearrbhachas freagrach. Buncheist dúinne agus sinn ag bailiú oiread airgid agus is féidir linn do dhea-chúiseanna is ea a chinntiú nach spreagann an Crannchur Náisiúnta cearrbhachas iomarcach agus nach ndóltar ticéid an Chranchnuir Náisiúnta le daoine faoi bhun 18 mbliana d'aois.

Siúd is go nglactar leis go hidirnáisiúnta gur lú an baol a bhaineann le cluichí crannchuir ná le cineálacha eile cearrbhachais, bímid ar ár n-airdeall i gcónaí le cinntiú go bhfeidhmímid ar dhóigh a bhíonn freagrach go sóisialta. Tá clár freagrachta sóisialta corparáideach i bhfeidhm againn a bhfuil mar chroílár a éitis daoine óga agus leochaileacha a chosaint. Soláthraíonn ár suíomh gréasáin comhairle phraiticiúil d'imreoirí atá inníoch go bhfuil cearrbhachas mar chuid ró thábhachtach dá saol.

Urraíocht

Bhí áthas orainn urraíocht a dhéanamh arís i 2010 ar Skyfest an Chranchnuir Náisiúnta mar chuid de cheiliúradh na Féile Pádraig. Chraol Teilifís RTÉ 1 an taispeántas mórthaibhseach tinte cnámh seo beo ó Luimneach, a raibh Caisleán an Rí Eoin mar chúla drámata aige. D'fhreastal slua de bhreis is 50,000 ar an taispeántas Dé Sathairn, 13 Márta, agus ghlac siad páirt chomh maith i gcrannchur beo Lotto a raibh €2 milliún curtha leis.

Thairis sin, bhí lucht féachana de bhreis ar 250,000 in ann taitneamh a bhaint as craoladh Skyfest an Chranchnuir Náisiúnta a raibh píosaí scannáin air a léirigh go leor dea-chúiseanna, a bhfuil maoiniú faighte acu ón gCrannchur Náisiúnta, ina measc Staidiam nua Pháirc Thuamhan.

Good Causes

In 2010, we raised €243.7 million or 31.6 % of sales in funds for good causes. Interestingly, our research shows that whilst players are aware that an amount from every euro played goes to fund work in communities countrywide, they consistently underestimate the level of funds raised. In fact the cumulative figure since the National Lottery commenced operations in 1987 currently stands at the very substantial amount of over €3.6 billion.

Throughout the year we continued our ‘Dream Winner’ segment on the Winning Streak TV Gameshow. This features a televised broadcast from National Lottery Beneficiary projects from around Ireland each week allowing viewers to see the benefits made possible by their playing of National Lottery games.

Last year, National Lottery players contributed to the millions of euro invested in projects and communities within the four categories of Youth, Sport, Recreation and Amenities; Health & Welfare; Arts, Culture & National Heritage and the Irish Language.

One such project was Macra Na Feirme, a vibrant organisation for young people comprising over 300 clubs and 9,000 members, which exists to promote rural development and the personal development of its members. In 2010, Macra na Feirme received €561,226 from the National Lottery funded Youth Services Grant Scheme administered by the Office of the Minister for Children and Youth Affairs.

Dea-Chúiseanna

I 2010, bhailíomar €243.7 milliún nó 31.6 % den díolachán mar chistí do dhea-chúiseanna. Spéisiúil go leor, in ainneoin go dtuigeann imreoirí go dtéann sciar ó gach euro a imrítear chun maoiniú a dhéanamh ar obair i bpobail ar fud na tíre, gannmheas siad go leanúnach leibhéal an airgid a bailíodh. Le fírinne, ó thosaigh an Crannchur Náisiúnta a chuid oibre i 1987 go dtí anois, tá os cionn €3.6 billiún cnuasaithe – figiúr an substaintiúil.

Le linn na bliana leanamar den mhír ‘Dream Winner’ ar an Seóchluiche Teilifíse Winning Streak. Léirítear don lucht féachana gach seachtain trí chraoladh teilifíse ó cheann de thionscadail a fuair maoiniú ón gCrannchur Náisiúnta cad é an sochar a eascraíonn as iad a bheith ag imirt cluichí an Chrannchuir Náisiúnta.

Anuraidh, chuir imreoirí an Chrannchuir Náisiúnta leis na milliúin euro a infheistítear i dtionscadail agus i bpobail sa cheithre réimse Óige, Spórt, Fóillíocht agus Áiseanna; Sláinte agus Leas Sóisialta; na hEalaíona, Cultúr & Oidhreacht Náisiúnta agus an Ghaeilge.

Bé Macra na Feirme ceann de na tionscadail seo – eagraíocht bheoga do dhaoine óga a bhfuil os cionn 300 club agus 9,000 ball aici, agus a bhfuil mar bhunaidhm aici forbairt na tuaithe agus forbairt phearsanta a cuid ball a chur chun cinn. I 2010 fuair Macra na Feirme €561,226 ó Scéim Deontais na nÓg Sheirbhísí atá maoinithe ag an gCrannchur Náisiúnta agus atá á riaradh ag Oifig an Aire Leanaí agus Gnóthaí Óige.

agus tá 15,000 imreoir anois ann a imríonn ár gcluichí crannchuir agus ár gcluichí tob-bhuachana ar líne.

D'fhás an teacht isteach ó Imir Ar Líne go suntasach – méadú ó €744,000 i 2009 go dtí €3.7 milliún. Is féidir Lotto, EuroMillions agus na cluichí Tob Bhuchana a imirt anois ar an idirlíon.

Buadh pota óir Lotto ar líne don chéad uair in Éirinn mí Feabhra nuair a ghnóthaigh imreoir ó Chorcaigh €5,513,556.

In the sports area, many of our leading athletes, including hurdler Derval O'Rourke, boxer Katie Taylor, and swimmer Gráinne Murphy, were recipients of grants from the Irish Sports Council part funded by the National Lottery.

The Arts Council continues to receive National Lottery funds which are distributed to community projects such as the Waterford Healing Arts Trust, located in Waterford Regional Hospital and the Stokestown International Poetry Festival.

The Oriel Cultural Centre, Dundalk was one of six regional Comhaltas Ceoltóirí Éireann resource centres to receive National Lottery funding. This Irish language hub provides facilities for teaching, rehearsal, performance and sessions, along with recording and archiving facilities.

We are conscious that behind these initiatives and the many other projects which benefit from National Lottery funding, there are thousands of volunteers dedicated to achieving the best for their communities and would like to thank them for their commitment.

I réimse na spórt, fuair go leor d'ár lúthchleasaithe iomráiteacha, ar a n áirítear an cliathreathaí Derval O'Rourke, an dornálaí Katie Taylor, agus an snámhaí Gráinne Murphy, deontais ón gComhairle Spóirt a fhaigheann cuid dá mhaoiniú ón gCrannchur Náisiúnta.

Leanann an Chomhairle Ealaíon de bheith ag fáil airgead ón gCrannchur Náisiúnta agus dáiltear é ar thionscadail mar Iontaobhas Phort Láirge um Ealaíona Leighis atá lonnaithe in Ospidéal Réigiúnach Phort Láirge agus Féile idirnáisiúnta Filíochta Bhéal na mBuillí.

Bhí Cultúrlann Oirialla, Dún Dealgan, ar cheann de shé ionad acmhainní réigiúnacha de chuid Chomhaltas Ceoltóirí Éireann a fuair maoiniú ón gCrannchur Náisiúnta. Soláthraíonn an mol Gaeilge seo áiseanna foghlama, cleachtaidh, léirithe agus do sheisiúin chomh maith le háiseanna taifeadta agus cartlainne.

Is maith is eol dúinn go bhfuil na mílte oibrí deonach taobh thiar de na tionscadail seo agus de go leor tionscadal eile a fhaigheann maoiniú ón gCrannchur Náisiúnta agus iad tiomnaithe d'oiread agus is féidir leo a bhaint amach dá bpobail. Ba dheas linn ár mbuíochas a ghabháil leo as a dtiomantas.

The Future

As we enter the National Lottery's 25th year of operations, our focus will be on enhancing and promoting our wide range of lottery games to new and existing players. 2011 will see a major change to the EuroMillions game with even bigger Jackpots and more chances to win.

Our internet service, National Lottery Play Online, will continue to expand rapidly as we add more games and players. This platform gives us a new dimension to our business and should attract a new generation of National Lottery players.

In retail outlets, we will continue to improve the service to our players, including the rollout of digital signage screens to all our main agents.

By succeeding in implementing our plans, we will achieve our goal of generating further funds for good causes and building on the €3.6 billion raised to date for the benefit of communities in Ireland.

An Todhchaí

Agus sinn ag tosú ar 25ú bliain oibríochtaí an Chrannchuir Náisiúnta, beidh ár n aird dírithe ar raon leathan ár gcluichí crannchuir a fheabhsú is a chur chun cinn dár n imreoirí reatha is dár n imreoirí nua. Beidh athrú mór ar chluiche EuroMillions le linn 2011 agus beidh Potaí Óir níos mó fós ann agus níos mó deiseanna chun buachana.

Leanfaidh ár seirbhís idirlín, Imir Ar Líne an Chrannchuir Náisiúnta, de bheith ag forbairt de réir mar a chuirfimid níos mó cluichí agus imreoirí léi. Cuireann an t ardán seo diminsean nua lenár ngnó agus ba chóir go meallfadh se glúin nua d'imreoirí don Chrannchur Náisiúnta.

Leanfaimid de bheith ag feabhsú na seirbhíse dár n imreoirí, ar a n áireofar rolladh amach na scáileán comharthaíochta digiteacha dár bpríomh-ghníomhairí.

Trínár bpleananna a chur i bhfeidhm, bainfimid amach ár n aidhm de bheith ag bailiú cistí eile airgid do dhea chúiseanna agus de bheith ag cur leis an €3.6 billiún a bailíodh go nuige seo ar mhaithe le pobail ar fud na hÉireann.

Report of the Directors

The Directors have pleasure in submitting their twenty fourth annual report, together with the audited financial statements of the Company, for the year ended 31 December, 2010, in fulfilment of their obligations under the Companies Acts, 1963 to 2009.

1. The Company

The Company carries on the business of operating the National Lottery under Licence from the Minister for Finance in accordance with the provisions of the National Lottery Act, 1986.

80% of the issued share capital is held by An Post and 20% is held by the Minister for Finance.

2. Results for the Year

The results for the year are set out on page 50.

3. Business Review

The information required by Section 13 of the Companies (Amendment) Act, 1986, on the development of the business and important events, is included in the Chairman's Statement and Review of Operations on pages 10 to 31.

As described therein, the Company had a substantial surplus of €244m in 2010 (2009: €264m) to the benefit of the Beneficiary Fund. This resulted from sales of €772m in 2010 (2009: €815m).

In monitoring the Company's performance, the Directors and management have regard to a range of key performance indicators (KPIs).

KPI	2010	2009
Prizes as a percentage of sales	54.4%	53.8%
Operating costs as a percentage of sales	14.0%	13.9%
Surplus earned as a percentage of sales	31.6%	32.3%
Spend per capita	€173	€183
Number of retail outlets	3,813	3,794

The above KPIs are within the terms of the Licence to operate the National Lottery.

The key risks and uncertainties facing the future development of the Company include the retention of the Company's licence to operate the National Lottery, the Company's significant reliance upon its IT infrastructure and retailer operations, the impact of general economic factors on the Company and the introduction of new games and channels. The Directors have developed a range of strategies to address these and other risks faced by the Company. The Corporate Governance Statement on page 37 sets out the Company's policies and approach to risks and the related internal control procedures and responsibilities.

4. Directors, Secretary and their interests

The Directors of the Company are appointed by the Minister for Finance for a fixed term, usually three years, and their conditions of appointment and fees are set out in writing.

The terms of office of Niamh McGowan and Oliver Wilkinson expired on 5 November, 2010. Caroline Murphy was appointed and Oliver Wilkinson was re-appointed from that date.

The Directors and Secretary who held office at 31 December, 2010 had no interest in the shares in, or debentures of, the Company or any Group Company.

Tuarascáil na Stiúrthóirí

Is cúis áthais do na Stiúrthóirí a gceathrú tuarascáil bhliantúil is fiche a chur i láthair, maille le ráitis airgeadais iniúchta an Chomhlachta, don bhliain dar críoch 31 Nollaig, 2010 agus, dá réir, a gcuid dualgas faoi fhorálacha Achtanna na gCuideachtaí 1963 go 2009 á gcomhlíonadh acu.

1. An Comhlacht

Ritheann an Comhlacht a ghnó chun an Crannchur Náisiúnta a reáchtáil le Ceadúnas ón Aire Airgeadais faoi réir fhorálacha an Achta um Chrannchur Náisiúnta, 1986.

Tá 80% den scairchaipiteal eisithe i lámha An Phoist agus tá 20% ag an Aire Airgeadais.

2. Torthaí na Bliana

Tá torthaí na bliana leagtha amach ar leathanach 50.

3. Athbhreithniú Gnó

Tá an t-eolas a éilítear faoi réir Alt 13 d'Acht na gCuideachtaí (Leasú) 1986, ar fhorbairt an ghnó agus ar imeachtaí tábhachtacha, clúdaithe i Ráiteas an Chathaoirligh agus san Athbhreithniú Oibríochtaí ar leathanaigh 10 go 31.

Mar atá ráite ansin, bhí barrachas substaintiúil de €244m. ag an gComhlacht i 2010 (2009: €264m.) agus cuireadh é chun leasa Chiste na dTairbhíthe. D'éascair an toradh seo as díolachán de €772m i 2010 (2009: €815m.).

Agus monatóireacht á dhéanamh acu ar fheidhmiú an chomhlachta, tógann na Stiúrthóirí agus an bhainistíocht aird ar raon d'eochairtháscairí feidhmiúcháin (EFTanna).

EFT	2010	2009
Duaiseanna mar chéatadán den díolachán	54.4%	53.8%
Costais oibríochta mar chéatadán den díolachán	14.0%	13.9%
Barrachas tuillte mar chéatadán den díolachán	31.6%	32.3%
Caiteachas per capita	€173	€183
Líon na n-asraon miondíola	3,813	3,794

Tá na EFTanna thuasluaite taobh istigh de théarmaí an cheadúnais chun an Crannchur Náisiúnta a reáchtáil.

Ar na heochair-rioscaí agus na neamhchinnteachtaí a gcaithfear aghaidh a thabhairt orthu, má táthar leis an gComhlacht a fhorbairt, tá coinneáil cheadúnas an Chomhlachta chun an Crannchur Náisiúnta a rith, chomh mór is atá an Comhlacht i dtuilleamaí a infreastruchtúr TF agus a oibríochtaí miondíola, éifeacht tosca eacnamaíochta ginearálta ar an gComhlacht agus cluichí is cainéil nua do theacht isteach. Tá raon straitéisí forbartha ag na Stiúrthóirí chun plé leo seo agus le rioscaí eile a gcaithfidh an Comhlacht aghaidh a thabhairt orthu. Tá polasaithe agus cur chuige an Chomhlachta maidir le rioscaí agus gnáthaimh inmheánacha rialaithe gaolmhara leagtha amach sa Ráiteas ar Rialachas Corparáide ar leathanach 37.

4. Stiúrthóirí, Rúnaí agus a leas tairbhíúil

Is é an tAire Airgeadais a cheapann Stiúrthóirí an Chomhlachta do thréimhse réamhshocráithe, trí bliana sa ghnáthshlí, agus leagtar amach a dtéarmaí ceapacháin agus a dtáilí i scríbhinn.

Tháinig tréimhsí oifige Niamh McGowan agus Oliver Wilkinson chun críche ar 5 Samhain, 2010. Ceapadh Caroline Murphy agus athcheapadh Oliver Wilkinson le feidhm ón dáta sin.

Ní raibh leas tairbhíúil, scaireanna sa Chomhlacht ná bintiúir a bhain leis nó le haon Ghrúp Chuideachta ag na Stiúrthóirí ná ag an Rúnaí a bhí in oifig ar 31 Nollaig, 2010.

Tuarascáil na Stiúrthóirí

Tosaíocht é ag Stiúrthóirí Chomhlacht Chranncuir Náisiúnta an Phoist ardchaighdeán rialachais corparáide a choinneáil. D'fhorbair an Bord a pholasaí ar rialachas corparáide le go mbeadh feidhm ag an gCód Cleachtais um Rialachas Chomhlachtaí Stáit a d'eisigh an Roinn Airgeadais agus chun feidhm a thabhairt nuair is cuí do phríomhphrionsabail agus do phrionsabail thacaíochta ábhartha um dhear-rialachas atá sa Chomhchód a d'eisigh an Financial Reporting Council sa Ríocht Aontaithe. Siúd is go mbaineann forálacha an Chomhchóid go díreach le cuideachtaí liostáilte amháin, braitheann an Bord go gcuidíonn a bhfeidhmiú mar is cuí leis an gComhlacht chun sár chleachtas rialachais corparáide a chomhlíonadh.

Tá na Stiúrthóirí freagrach do na scairshealbhóirí as dearialachas corparáide agus pléann an tuarascáil seo leis an tsli inar cuireadh i bhfeidhm na príomhphrionsabail agus na prionsabail thacaíochta ábhartha atá le fáil sa Chód Sár-chleachtais um Rialachas Chomhlachtaí Stáit agus sa Chomhchód i gcás Chomhlacht Chranncuir Náisiúnta an Phoist.

An Bord

Rialaítear an Comhlacht trína Bhord Stiúrtha. Is iad príomhróil an Bhoird maoirseacht a dhéanamh ar oibríochtaí an Chomhlachta, cinntireacht a sholáthar don Chomhlacht, cuspóirí straitéiseacha an Chomhlachta a fhaomhadh agus deimhin a dhéanamh de go gcuirtear ar fáil na hacmhainní riachtanacha airgeadais agus eile chun gur féidir leo na cuspóirí sin a bhaint amach. Uair sa mhí a thagann an Bord le chéile le linn na bliana. Tá sceideal ábhar atá forchoimeáda le faomhadh ag an mBord.

I measc na sainfhreagrachtaí atá forchoimeáda don Bhord tá: straitéis an Chomhlachta a cheapadh agus an buiséad bliantúil agus na réamh-mheastacháin mheántéarmacha a fhaomhadh; feidhmiú oibríoch agus airgeadais a athbhreithniú; mórchaitheas caipitil a fhaomhadh; deimhin a dhéanamh de go bhfuil téarmaí an cheadúnais chun an Crannchur Náisiúnta a reáchtáil á gcomhlíonadh; córais an Chomhlachta um rialú airgeadais agus bainistíú riosca a athbhreithniú; deimhin a dhéanamh de go bhfuil pleananna cuí i bhfeidhm chun forbairt agus comharbaíocht na bainistíochta a chinntiú; feidhmiú an Chomhlachta ó thaobh na timpeallachta agus cúrsaí sláinte is sábháilteachta de a athbhreithniú; ceapadh Rúnaí an Chomhlachta a fhaomhadh; deimhin a dhéanamh de go mbíonn idirphlé sásúil ann leis na scairshealbhóirí.

Tá na freagrachtaí seo a leanas tarmligthe ag an mBord don bhainistíocht: pleananna straitéiseacha, a bheadh ag teacht le cuspóirí agus le tosaíochtaí fadtéarmacha an Bhoird, a cheapadh agus a mholadh don Bhord le scrúdú; straitéisí agus polasaithe an Chomhlachta, mar atá sonraithe ag an mBord, a fheidhmiú; faireachán a dhéanamh ar thorthaí oibríochta agus airgeadais i gcomparáid le pleananna agus le buiséid; córais rialaithe a fhorbairt do reáchtáil na gcrannchur, tosaíochtaí a cheapadh do chionroinnt acmhainní teicniúla is daonna; agus córais bainistíochta riosca a cheapadh is a chur i bhfeidhm.

Report of the Directors

The roles of the Chairman and Chief Executive

The Chairman leads the Board in the determination of its strategy and in the achievement of its objectives. The Chairman is responsible for organising the business of the Board, ensuring its effectiveness and setting its agenda. The Chairman facilitates the effective contribution of non-executive Directors and constructive relations between the executive Director and non-executive Directors, ensures that Directors receive accurate, timely and clear information and manages effective communication with shareholders.

The Chief Executive has direct charge of the Company on a day to day basis and is accountable to the Board for the financial and operational performance of the Company.

Senior Independent Director

The Board has considered the matter of designating a recognised senior member other than the Chairman to whom concerns can be conveyed and, in view of the manner of appointment of Directors, the shareholding structure and existing Board procedures, has concluded it is not necessary in the circumstances.

Directors and Directors' independence

The Board currently comprises the Chairman, five non-executive Directors and the Chief Executive. The names of the Directors together with their biographical details are set out on pages 32 and 33. The positions of Chairman and Chief Executive are held by different persons. Given its status as a State Company, its shareholding structure and the appointment of the Directors by the Minister, the Board believes that the criteria normally used by the board of a listed Company in considering the independence of its Directors do not apply to the Company. The Board includes independent non-executive Directors who constructively challenge and help develop proposals on strategy and bring strong independent judgement, knowledge, and experience to the Board's deliberations. The independent Directors are of sufficient calibre and number that their views carry significant weight in the Board's decision making.

The Combined Code requires the Chairman to hold meetings with the non-executive Directors without the executive Director being present. The Board has formal procedures in place in this regard.

Directors have the right to ensure that any concerns they have, which cannot be resolved, about the running of the Company or a proposed action, are recorded in the Board minutes. In addition, upon resignation, a non-executive Director will be asked to provide a written statement to the Chairman, for circulation to the Board, if they have any such concerns.

The Directors are given access to independent professional advice at the Company's expense, when the Directors deem it is necessary in order for them to carry out their responsibilities.

Tuarascáil na Stiúrthóirí

Róil an Chathaoirligh agus an Phríomhfheidhmeannaigh

Is é An Cathaoirleach a threoraíonn an Bord maidir le cinneadh polasaí agus le baint amach a chuid cuspóirí. Is é an Cathaoirleach atá freagrach as gnó an Bhoird a eagrú, as a éifeacht a chinntiú agus as an clár gnó a shocrú. Éascaíonn an Cathaoirleach rannpháirtíocht éifeachtach na Stiúrthóirí neamh-fheidhmiúcháin agus deachaidreamh idir iad agus an Stiúrthóir feidhmiúcháin agus cinntíonn sé go bhfaigheann na Stiúrthóirí eolas cruinn, tráthúil agus soiléir. Bainistíonn sé freisin cumarsáid éifeachtach leis na scairshealbhóirí.

Is ag an bPríomhfheidhmeannach atá údarás díreach ar an gComhlacht ó lá go chéile agus tá sé freagrach don Bhord as feidhmiú oibríoch agus airgeadais an Chomhlachta.

Stiúrthóir Sinsearach Neamhspleách

Scrúdaigh an Bord an fhéidearthacht go gceapfaí comhalta sinsearach inaitheanta, seachas an Cathaoirleach, mar dhuine go bhféadfaí ábhair inní a chur faoina bhráid agus i ngeall ar an tsli ina gceaptar Stiúrthóirí, struchtúr an scairchaipitil agus gnáthaimh reatha an Bhoird, shocraigh an Bord nach mbeadh a leithéid de shocrú riachtanach faoi na cúinsí sin.

Stiúrthóirí agus Neamhspleáchas na Stiúrthóirí

San am i láthair, is iad comhaltaí an Bhoird an Cathaoirleach, cúigear Stiúrthóirí neamh fheidhmiúcháin agus an Príomhfheidhmeannach. Tá ainmneacha na Stiúrthóirí mar aon lena sonraí beathaisnéise leagtha amach ar leathanach 32 agus 33. Daoine difriúla atá i bpost an Chathaoirligh agus i bpost an Phríomhfheidhmeannaigh. Nuair a chuirtear san áireamh gur Comhlacht Stáit atá i gceist, struchtúr an scairchaipitil agus gurb é an tAire a cheapann na Stiúrthóirí, measann an Bord nach dtagann na gnáth-chritéir, a d'úsáidfeadh stiúrthóirí chuideachta liostáilte chun neamhspleáchas a Stiúrthóirí a mheas, i bhfeidhm sa chás seo. Áirítear ar an mBord Stiúrthóirí neamh-fheidhmiúcháin neamhspleácha a cheistíonn ar bhealach dearfach moltaí faoi chúrsaí straitéise agus a chabhraíonn le hiad a fhorbairt agus tugann siad breithiúnas láidir, neamhspleách, maille le heolas agus taithí agus ceisteanna á scrúdú ag an mBord. Tá na Stiúrthóirí neamhspleácha líonmhar a dhóthain agus de chaighdeán sách ard le go mbeadh tionchar nach beag ag a dtuairimí ar chinntí an Bhoird.

Faoin gComhchód tá dualgas ar an gCathaoirleach cruinnithe a bheith aige leis na Stiúrthóirí neamh-fheidhmiúcháin gan an Stiúrthóir feidhmiúcháin a bheith i láthair. Tá gnáthaimh fhoirmiúla chuige seo i bhfeidhm ag an mBord.

Tá sé de cheart ag Stiúrthóirí deimhin a dhéanamh de go gcláraítear i miontuairiscí an Bhoird aon ábhar inní gan réiteach atá acu faoi réachtáil an Chomhlachta nó faoi bheart atá molta. De bheis air sin, iarrfar ar aon Stiúrthóir neamh-fheidhmiúcháin a éiríonn as oifig, ráiteas i scríbhinn a thabhairt don Chathaoirleach, le cur thart ar an mBord, má tá aon ábhar inní aige.

Cuirtear comhairle neamhspleách phroifisiúnta ar fáil do na Stiúrthóirí ar chostas an Chomhlachta má shíleann na Stiúrthóirí go bhfuil gá lena leithéid le go bhféadfaidís a gcuid dualgas a chomhlíonadh.

Report of the Directors

All of the non-executive Directors are independent of management. The Board includes both the Chief Executive of the Company's parent company, An Post, as Chairman and James Hyland, a non-executive director of An Post. The Board considers all other non-executive Directors to be independent on the basis of the following:

- they have not been an employee of the Company within the last five years;
- they have no material business relationship with the Company, nor have they had any within the last three years;
- they receive no remuneration other than through Director's fees;
- they have no close family ties with any of the Company's advisers, Directors or senior employees; and
- they hold no cross-directorships and have no significant links with other Directors through involvement in other companies or bodies.

Professional development

On appointment, all new Directors take part in an induction programme when they receive information about the Company, the role of the Board and the matters reserved for its decision, the terms of reference and membership of the Board and its principal committees, the Company's corporate governance practices and procedures, including the responsibilities delegated to Company senior management and the latest financial information about the Company. This will typically be supplemented by meetings with key senior executives. Throughout their period in office, the Directors are continually updated on the Company's business, the competitive and regulatory environments in which it operates, corporate social responsibility matters and other changes affecting the Company and the lottery industry as a whole, by written briefings and meetings with senior executives. Directors are also advised on appointment of their legal and other duties and obligations as a Director, both in writing and in face-to-face meetings with the Company Secretary. They are also updated on changes to the legal and governance requirements of the Company and upon themselves as Directors.

Performance evaluation

All Directors are appointed to the Board by the Minister for Finance in accordance with Section 14 of the National Lottery Act, 1986 and their terms of office (generally three years) are set out in writing.

The Board has adopted and performed a formal process for the annual evaluation of the performance of the Board and its principal Committees. The Board considers that the introduction of any further formal evaluation of individual Directors is not necessary given the manner of appointment of Directors, the shareholding structure and existing Board procedures.

The Company Secretary

The Company Secretary is a full time employee of the Company's parent company, An Post. The Company Secretary is responsible for advising the Board, through the Chairman, on all governance matters. All Directors have access to the advice and services of the Company Secretary. The Company's Articles of Association provide that the appointment and removal of the Company Secretary is a matter for the full Board.

Tuarascáil na Stiúrthóirí

Tá na Stiúrthóirí neamh-fheidhmiúcháin uile neamhspleách ar an mbainistíocht. Comhaltaí den Bhord iad Príomhfheidhmeannach mháthair-chuideachta an Chomhlachta, An Post, atá ina Chathaoirleach, agus James Hyland, stiúrthóir neamh fheidhmiúcháin ar An Post. Measann an Bord na Stiúrthóirí neamh fheidhmiúcháin eile a bheith neamhspleách ar an mbonn seo a leanas:

- nárbh fhostaí ag an gComhlacht iad le cúig bliana anuas;
- nach bhfuil aon ghaol gnó ábhartha acu leis an gComhlacht agus nach raibh aon ghaol den chineál sin acu le trí bliana anuas;
- nach bhfuil aon luach saothair, seachas a dtáillí mar Stiúrthóirí, á fháil acu;
- nach bhfuil aon ghaol gairid clainne acu le haon chomhairleoir, stiúrthóir nó fostaí sinsearach de chuid an Chomhlachta; agus
- nach bhfuil tras-stiúrthóireachtaí acu ná aon cheangal suaithinseach le Stiúrthóirí eile trí chuideachtaí nó comhlachtaí eile.

Forbairt Phroifisiúnta

Arna gceapadh dóibh glacann na Stiúrthóirí nua go léir páirt i gcúrsa intreorach mar a bhfaigheann siad eolas i dtaobh an Chomhlachta, ar ról an Bhoird agus na nithe atá forchoimeáda dá chinneadh, ar théarmaí tagartha agus ar bhallraíocht an Bhoird agus phríomhchoistí an Bhoird, ar chleachtas is ar ghnáthaimh rialachais chorparáidigh an Chomhlachta, ina measc na freagrachtaí atá tarmáigthe le bainisteoirí sinsearach an Chomhlachta, maille leis an eolas airgeadais is déanaí faoin gComhlacht. De ghnáth, cuirtear leis seo trí chruinnithe le heochair fheidhmeannaigh sinsearach. Le linn a dtréimhsí oifige coinnítear Stiúrthóirí suas chun dáta ar ghnóthaí an Chomhlachta, ar na tosca iomaíocha agus rialála faoin a bhfuil sé ag gníomhú, ar fhreagracht shóisialta chorparáideach agus ar athruithe eile a bhfuil éifeacht acu ar an gComhlacht agus ar thionscal na gcrannchur ina iomláine. Déantar é seo trí mhionteagasc i scríbhinn agus trí chruinnithe le feidhmeannaigh shinsearach. Cuirtear Stiúrthóirí ar an eolas freisin faoin a gcuid dualgas agus oibleagáidí dlíthiúla agus eile mar Stiúrthóirí. Déantar é seo i scríbhinn agus ag cruinnithe aghaidh ar aghaidh le Rúnaí an Chomhlachta. Coinnítear suas chun dáta iad chomh maith faoi athruithe i riachtanais dlíthiúla agus rialachais an Chomhlachta agus a gcuid féin mar Stiúrthóirí.

Meastóireacht ar Fheidhmiú

Ceapann an tAire Airgeadais na Stiúrthóirí uile ar an mBord faoi réir Alt 14 den Acht um Chrannchur Náisiúnta 1986 agus leagtar amach a dtréimhsí oifige (trí bliana sa ghnáthshlí) i scríbhinn.

Tá glactha ag an mBord le próiseas foirmiúil chun meastóireacht bhliantúil a dhéanamh ar fheidhmiú an Bhoird agus a phríomhchoistí. Tá an Bord den tuairim nach mbeadh aon mheastóireacht foirmiúil bhreise ar Stiúrthóirí aonair riachtanach nuair a chuirtear san áireamh an tslí ina gceaptar Stiúrthóirí, an struchtúr scairsheibhe agus na gnáthaimh atá ag an mBord faoi láthair.

Rúnaí an Chomhlachta

Fostaí lánaimseartha de chuid na máthair-chuideachta, An Post, é Rúnaí an Chomhlachta. Tá Rúnaí an Chomhlachta freagrach as eolas a choinneáil leis an mBord tríd an gCathaoirleach ar gach gnó rialachais. Tá fáil ag na Stiúrthóirí uile ar chomhairle is ar sheirbhísí Rúnaí an Chomhlachta. Faoi réir na nAirteagal Comhlachais is gnó don Bhord ina iomláine é Rúnaí an Chomhlachta a cheapadh is a bhriseadh.

Report of the Directors

Information

Regular reports and papers are circulated to the Directors in a timely manner in preparation for Board and Committee meetings. These papers are supplemented by information specifically requested by the Directors from time to time.

The non-executive Directors receive monthly management accounts and regular management reports and information which enables them to scrutinise the Company's and management's performance against agreed objectives.

Relations with shareholders

The Board and management maintain an ongoing dialogue with the Company's shareholders on strategic issues. In addition, under the National Lottery Act, 1986, certain operational matters require the approval of the Minister for Finance in respect of which ongoing contact with the Minister is maintained.

The Chairman gives feedback to the Board on issues raised with him by the shareholders. All Directors normally attend the Annual General Meeting and shareholders are invited to ask questions during the meeting and to meet with Directors after the formal proceedings have ended.

Internal Control

An ongoing process exists for identifying, evaluating and managing the significant risks faced by the Company. This process, which is based on the Combined Code Guidance for directors issued by the Institute of Chartered Accountants in England and Wales (the Turnbull Guidance), is periodically reviewed by the Directors and has been in place throughout the accounting period and up to the date the financial statements were approved.

In accordance with the guidance of the Turnbull committee, the Directors are responsible for the Company's system of internal control, should set appropriate policies on internal control, should seek regular assurance that will enable them to satisfy themselves that the system is functioning effectively and should ensure that the system of internal control is effective in managing risks in the manner which it has approved. Such a system is designed to manage rather than eliminate business risks and can provide only reasonable rather than absolute assurance against material misstatement or loss.

The Directors have continued to review the effectiveness of the Company's system of financial and non-financial controls, including operational and compliance controls, risk management and the Company's high level internal control arrangements. These reviews have included an assessment of internal controls by management, management assurance of the maintenance of controls, reports from the internal auditor and reports from the external auditor on matters identified in the course of its statutory audit work.

The Company views the careful management of risk as a key management activity. Managing business risk to deliver opportunities is a key element of all activities. This is done using a simple and flexible framework which provides a consistent and sustained way of implementing the Company's values. These business risks, which may be strategic, operational, reputational, financial or environmental, should be understood and visible. The business context determines in each situation, the level of acceptable risk and controls.

Tuarascáil na Stiúrthóirí

Eolas

Cuirtear tuarascála agus páipéir thart ar na Stiúrthóirí in am tráth do chruinnithe Boird is Coistí. Cuirtear leis na páipéir seo trí eolas ar leith a sholáthar de réir mar a iarrann Stiúrthóirí é ó am go chéile.

Faigheann na Stiúrthóirí neamhfheidhmiúcháin cuntais mhíosúla bainistíochta maille le tuairiscí agus eolas rialta ón mbainistíocht, rud a chuireann ar a gcumas mionscrúdú a dhéanamh ar fheidhmiú na bainistíochta agus an Chomhlachta i gcomparáid le spriocanna aontaithe.

Caidreamh le Scairshealbhóirí

Bíonn idirphlé leanúnach idir an Bord is an bhainistíocht le scairshealbhóirí an Chomhlachta faoi nithe straitéiseacha. Thairis sin, faoin Acht um Chrannchur Náisiúnta 1986, ní mór faomhadh an Aire Airgeadais a fháil do ghnóthaí oibríochá áirithe agus chuige sin coinnítear teagmháil leanúnach leis an Aire.

Tugann an Cathaoirleach aiseolas don Bhord ar cheisteanna a thógann na scairshealbhóirí leis. Is gnách leis na Stiúrthóirí uile freastal ar an gCruinniú Cinnbhliana [CCB] agus tugtar cuireadh do na scairshealbhóirí ceisteanna a chur le linn an chruinnithe agus casadh ar na Stiúrthóirí nuair a bhíonn deireadh leis na himeachtaí foirmiúla.

Rialú Inmheánach

Tá próiseas leanúnach ann chun na rioscaí suntasacha, a gcaitheann an Comhlacht aghaidh a thabhairt orthu, a aithint, a mheasúnú agus a bhainistiú. Tá an próiseas seo bunaithe ar Threoracha an Chomhchóid do stiúrthóirí a d'eisigh Institiúid na gCuntasóirí Cairte i Sasana agus sa Bhreatain Bheag (Treoracha Turnbull). Athbhreithníonn na Stiúrthóirí é ó am go chéile agus bhí feidhm leo le linn na tréimhse cuntasaoíochta suas go dtí an dáta ar ar faomhadh na ráitis airgeadais.

Faoi réir na treorach a thugann coiste Turnbull, tá na Stiúrthóirí freagrach as córas rialaithe inmheánaigh an Chomhlachta. Ba chóir dóibh polasaithe cuí ar rialú inmheánach a shocrú, deimhniú a lorg go rialta a shásóidh iad go bhfuil an córas ag feidhmiú go héifeachtach agus ní mór dóibh a bheith sásta go bhfuil an córas rialaithe inmheánaigh éifeachtach chun rioscaí a bhainistiú ar an dóigh a faomhadh. Ceaptar córas mar seo chun rioscaí gnó a bhainistiú seachas fáil réidh leo agus ní thig leis ach barántas réasúnta, seachas barántas iomlán, a thabhairt in aghaidh aon mhíríteas nó cailíteanas ábhartha.

Lean na Stiúrthóirí de bheith ag athbhreithniú éifeacht chóras rialaithe airgeadais agus neamh-airgeadais an Chomhlachta, ina measc rialúchán oibríoch agus géilliúntais, bainistíocht rioscaí agus socruithe rialaithe ardleibhéil an Chomhlachta. Mar chuid den athbhreithniú seo rinneadh meastóireacht ar rialúcháin inmheánacha na bainistíochta, ar dheimhniú ón mbainistíocht go leantar den rialú, ar thuairiscí ón iniúchóir inmheánach agus ar thuairiscí ón iniúchóir seachtrach ar chúrsaí a aithníodh agus an obair reachtúil iniúchóireachta ar bun.

Tá an Comhlacht den tuairim gur eochair-ghníomhaíocht de chuid na bainistíochta é bainistiú cáiríseach a dhéanamh ar rioscaí. Buneilimint i ngach gníomhaíocht é rioscaí gnó a bhainistiú chun deiseanna a thapú. Déantar é seo trí úsáid a bhaint as framaíocht shimplí sholúbtha a chruthaíonn bealach buan agus seasmhach chun luachanna an Chomhlachta a chur i bhfeidhm. Ba chóir go mbeadh na rioscaí gnó seo, bídís ina rioscaí straitéiseacha, oibríochá, dea-cháile, airgeadais nó timpeallachta, intuigthe agus sofheicthe. I ngach cúinse, is é an comhthéacs gnó a shocraíonn leibhéal inghlachta rialú rioscaí agus rialúcháin.

Report of the Directors

Management is responsible for the identification and evaluation of significant risks and for the design and implementation of appropriate internal controls. These risks are assessed on an ongoing basis and are derived from a variety of external and internal sources. Management reports regularly to the Board on the key risks inherent in the business and on the way in which these risks are managed. Management also reports to the Board on any significant changes in the Company's business and on any risks associated with such changes. The process used to identify and manage key risks is an integral part of the internal control environment.

The key procedures which the Directors have established with a view to providing effective internal control are as follows:

- A clear focus on business objectives as determined by the Board after consideration of the statutory responsibilities and risk profile of the Company's business.
- A defined organisational structure with clear lines of responsibility, delegation of authority and segregation of duties designed to foster a beneficial control environment.
- A risk management process which considers the strategy and development of the business in the context of the annual budget process when financial plans and performance targets are set and reviewed by the Board in light of the Company's overall objectives.
- A report and control system which produces a comprehensive set of financial reports. The annual budget is approved by the Board. Key financial statistics are monitored by management on a daily basis. Actual results are reported monthly against budget and any significant adverse variances are examined and remedial action taken.
- Control procedures – comprehensive procedures manuals are maintained by the Company in respect of all its main activities. In particular, there are clearly defined limits and procedures for financial expenditure, including procurement and capital expenditure, and for all draw operations.
- Monitoring system – compliance with control objectives is monitored on an ongoing basis by management. The control system is also monitored by internal audit whose work is focused on the areas of greatest risk to the Company.

The Company has procedures to ensure that appropriate arrangements are in place for employees to be able to raise, in confidence, matters of possible impropriety, with suitable subsequent follow-up action. Reporting channels have been created whereby perceived wrongdoing may be reported orally and via post, telephone and email, anonymously if preferred.

Tuarascáil na Stiúrthóirí

Ar an mbainistíocht atá an fhreagracht chun rioscaí suntasacha a aithint agus a mheas agus as rialúcháin inmheánacha cuí a cheapadh is a chur i bhfeidhm. Déantar meastóireacht leanúnach ar na rioscaí seo agus í bunaithe ar raon foinsí inmheánacha agus seachtracha. Tuairiscíonn an bhainistíocht go rialta don Bhord ar na príomh-rioscaí a bhaineann leis an ngnó agus ar an tslí ina ndéantar bainistiú ar na rioscaí. Tuairiscíonn an bhainistíocht don Bhord freisin ar athruithe suntasacha i ngnóthaí an Chomhlachta agus aon rioscaí a eascraíonn as na hathruithe seo. Dlúthchuid den timpeallacht inmheánach rialaithe é an próiseas a úsáidtear chun na príomh-rioscaí a aithint agus a bhainistiú.

Seo a leanas na príomh-ghnáthaimh a cheap na Stiúrthóirí chun rialú inmheánach éifeachtach a chinntiú:

- Fócas grinn ar na cuspóirí gnó, mar atá leagtha amach ag an mBord, tar éis na freagrachtaí reachtúla is próifíl riosca an Chomhlachta a thabhairt san áireamh.
- Struchtúr sainithe eagraíochta le línte soiléire freagrachta, tarmilgean údarais agus dealú dualgas a cheapadh chun timpeallacht tairbheach rialaithe a chothú.
- Próiseas bainistiú rioscaí a thugann san áireamh straitéis agus forbairt an ghnó i gcomhthéacs phróiseas bliantúil an bhuiséid nuair a leagann an Bord amach is mar a athbhreithníonn sé pleananna airgeadais agus spriocanna feidhmíthe i gcomhthéacs chuspóirí foriomlána an Chomhlachta.
- Córas tuairiscithe agus rialaithe a chuireann ar fáil tacar uileghabhálach de thuairiscí airgeadais. Faomhann an Bord an buiséad bliantúil. Déanann an bhainistíocht meastóireacht go laethúil ar eochair-staististicí airgeadais. Tuairiscítear na torthaí iarbhire míosúla i gcomparáid leis an mbuiséad agus scrúdaítear difríochtaí substaintiúla diúltacha agus féachtar le hiad a cheartú.
- Gnáthaimh rialaithe – coinníonn an Comhlacht lámhleabhair chuimsitheacha gnáthaimh ar a phríomh-imeachtaí uile. Tá, ach go háirithe, teorainneacha agus gnáthaimh leagtha amach go soiléir faoi chaiteachas airgid. Áirítear anseo soláthairtí, caiteachas caipitil agus reachtáil na gcrannchur.
- Córas faireacháin – déanann bainistíocht an Chomhlachta faireachán ar chomhlíonadh na gculpóirí rialaithe ar bhonn leanúnach. Déantar faireachán ar an gcóras rialaithe freisin trí iniúchadh inmheánach a dhéanamh ar na gnéithe úd is mó riosca don Chomhlacht.

Tá gnáthaimh i bhfeidhm ag an gComhlacht a chinntíonn gur féidir le fostaithe ceisteanna faoi aon iompar míchuí, a fhéadfadh a bheith ann, a ardú faoi dhíscréid agus go leantar an cheist ansin ar bhealach cuí. Tá bealaí tuairiscithe ceaptha trí nár féidir aon iompar míchuí, a mheastar a bheith ann, a thuairisciú de bheal, tríd an bpost, thar an teiléafón nó i ríomhphost, agus é sin gan ainm a thabhairt más fearr sin.

The objective is to maintain the remuneration of the Chief Executive at a level which is attractive to the individual while, at the same time, representing value for money for the Company. A proportion of the Chief Executive's remuneration is performance related and, in this way, is linked to the Company and individual objectives.

Fees for Directors are determined by the Minister for Finance.

No Director has a service contract with the Company.

The Board:

- determines the remuneration and other terms and conditions of employment of the Chief Executive;
- determines the pay structures and terms and conditions of other senior personnel;
- takes all decisions related to pay and pay related matters; and
- considers any other matters which it deems to be relevant to the foregoing.

The disclosures made in these financial statements relating to Directors' emoluments and pension information are those required under the Irish Companies Acts, 1963 to 2009.

Luach Saothair na Stiúrthóirí

Ní mór do Bhord an Chomhlachta luach saothair an Phríomhfheidhmeannaigh a fhaomhadh. Tá sé mar chuspóir luach saothair an Phríomhfheidhmeannaigh a choinneáil ar leibhéal a bheadh mealltach dó agus, ag an am céanna, a thabharfadh luach maith airgid don Chomhlacht. Íoctar sciar de luach saothair an Phríomhfheidhmeannaigh de réir feidhmíochta agus, ar an dóigh seo, tá baint aige le cuspóirí an Chomhlachta agus leis an duine aonair.

Is é an tAire Airgeadais a shocraíonn táillí na Stiúrthóirí.

Níl conradh seirbhíse ag aon Stiúrthóir leis an gComhlacht.

Is é an Bord:

- a shocraíonn tuarastal, agus téarmaí is coinníollacha eile fostaíochta an Phríomhfheidhmeannaigh;
- a shocraíonn struchtúir tuarastail agus téarmaí is coinníollacha eile fostaíochta chomhaltaí sinsearach eile foirne;
- a ghlacann na cinntí uile a bhaineann le tuarastal agus le nithe gaolmhara;
- a chóirann aon ní eile a bhraitheann siad a bheith ábhartha don méid thuas.

Is éard atá san fhaisnéisiú atá déanta sna ráitis airgeadais seo, a bhaineann le luach saothair nó le heolas pinsin na Stiúrthóirí, ná an faisnéisiú a éilítear faoi Achtanna na gCuideachtaí 1963 go 2009 in Éirinn.

An Coiste Iniúcháireachta

Le linn na bliana b'iad James Hyland, Niamh McGowan (go dtí 5 Samhain, 2010), Barbara Patton (ó 5 Samhain, 2010 ar aghaidh) agus Micheál Ó Muircheartaigh comhaltaí an Choiste Iniúcháireachta. James Hyland a fheidhmíonn mar Chathaoirleach ar an gCoiste. Stiúrthóirí neamhfheidhmiúcháin neamhspleácha iad comhaltaí uile an choiste.

Tá taithí leathan ag comhaltaí an choiste de bharr poist thábhachtacha sa saol gnó a bheith acu, ar a n-áirítear bheith ina chomhpháirtí bainistíochta i gcleachtas cuntasáíochta.

Report of the Directors

Under its terms of reference, the Audit Committee monitors the integrity of the Company's financial statements. The Committee is responsible for monitoring the effectiveness of the external audit process and making recommendations to the Board in relation to the appointment, re-appointment and remuneration of the external auditors. It is responsible for ensuring that an appropriate relationship between the Company and the external auditors is maintained, including reviewing non-audit services and fees. As a result of regulatory or similar requirements, it is necessary to employ the Company's external auditors for certain audit related and non-audit services. In order to maintain the independence of the external auditors, the Committee has determined policies as to what audit related and non-audit services can be provided by the Company's external auditors and the approval process related to these services. In particular, the Board considers it appropriate that independent observer and draw related services, which are the principal constituent of audit related fees paid, be performed by the external auditors. Under these policies, work of a consultancy nature will not be offered to the external auditors unless there are clear efficiencies and value added benefits to the Company while ensuring that the objectivity and independence of the external auditors is maintained. The Committee monitors the level of fees paid to the external auditors.

The Committee reviews annually the Company's systems of internal control and the processes for monitoring and evaluating the risks facing the Company.

The Committee meets with management, as well as privately with the external auditors.

In 2010, the Committee discharged its responsibilities by:

- reviewing the Company's draft financial statements prior to Board approval and meeting and reviewing with the external auditors their reports thereon;
- reviewing the appropriateness of the Company's accounting policies;
- reviewing the potential impact on the Company's financial statements of significant matters;
- reviewing the resources of internal audit, approving the internal audit plans, reviewing internal audit reports and dealing with control issues raised by the internal auditors;
- reviewing and approving the audit fee and reviewing non-audit fees payable to the Company's external auditors;
- reviewing the external auditors' plan for the audit of the Company's financial statements, confirmations of auditor independence and the proposed audit fee, and approving the terms of engagement for the audit;
- considering the adequacy of the Company's system of risk identification and assessment;
- reviewing an annual report on the Company's systems of internal control and its effectiveness, reporting to the Board on the results of the review and receiving regular updates on key risk areas of financial control;

Tuarascáil na Stiúrthóirí

Faoina théarmaí tagartha, déanann an Coiste Iniúchóireachta faireachán ar ionracas ráitis airgeadais an Chomhlachta. Tá an Coiste freagrach as faireachán a dhéanamh ar éifeachtúlacht phróiseas an iniúchta seachttraigh agus as moltaí a chur faoi bhráid an Bhoird maidir le ceapadh, athcheapadh agus luach saothair na n-iniúchóirí seachttracha. Tá sé freagrach chomh maith as deimhin a dhéanamh de go gcoimeádtar gaol cuí idir an Comhlacht agus na hiniúchóirí seachttracha agus athbhreithniú ar sheirbhísí is ar tháillí neamh-iniúchóireachta san áireamh. De bharr riachtanais rialacháin nó cinn dá shórt, is gá iniúchóirí seachttracha an Chomhlachta a fhostú le haghaidh seirbhísí áirithe a bhaineann leis an iniúchadh agus cinn neamh-iniúchóireachta. Chun go gcaomhnófaí neamhspleáchas na n-iniúchóirí seachttracha, rianaigh an Coiste Iniúchóireachta polasaithe faoi na seirbhísí, idir sheirbhísí a bhaineann leis an iniúchadh agus sheirbhísí neamh-iniúchóireachta, a fhéadfadh iniúchóirí seachttracha an Chomhlachta a sholáthar agus faoin bpróiseas chun na seirbhísí seo a fhaomhadh. Measann an Bord, ach go háirithe, go bhfuil sé cuí gurb iad na hiniúchóirí seachttracha a sholáthraíonn seirbhísí mar bhreathnadóir neamhspleách agus seirbhísí a bhaineann leis an gcrannchur, ar phríomhghné iad de na táillí iniúchóireachta a íoctar. De réir na bpolasaithe seo, ní dhéantar obair chomhairleoireachta a thairiscint do na hiniúchóirí seachttracha mura bhfuil buntáistí soiléire éifeachtachta agus breisluacha le fáil ag an gComhlacht agus oibiachtúlacht is neamhspleáchas na n-iniúchóirí seachttracha a bheith slán i gcónaí. Déanann an Coiste faireachán ar leibhéal na dtáillí a íoctar leis na hiniúchóirí seachttracha.

Athbhreithníonn an Coiste go bliantúil córais rialaithe inmheánaigh an Chomhlachta agus na modhanna chun faireachán agus meastóireacht a dhéanamh ar na rioscaí a gcaitheann an Comhlacht aghaidh a thabhairt orthu.

Buaileann an Coiste leis an mbainistíocht agus freisin go príobháideach leis na hiniúchóirí seachttracha.

Le linn 2010 chomhlíon an Coiste Iniúchóireachta a chuid dualgas trí:

- athbhreithniú a dhéanamh ar dhréacht-ráitis airgeadais an Chomhlachta sular dhein an Bord iad a fhaomhadh agus trí chasadh ar na hiniúchóirí seachttracha is a dtuairiscí ar na ráitis airgeadais a athbhreithniú i bpáirt leo;
- oiriúnacht pholasaithe cuntasafóichta an Chomhlachta a athbhreithniú;
- an éifeacht fhéideartha a fhéadfadh a bheith ar ráitis airgeadais an Chomhlachta ag rudaí suntasacha a athbhreithniú;
- acmhainní an iniúchta inmheánaigh a athbhreithniú, pleananna an iniúchta inmheánaigh a fhaomhadh, tuairiscí an iniúchta inmheánaigh a athbhreithniú agus déileáil le ceisteanna suntasacha a thógann na hiniúchóirí inmheánacha;
- táille an iniúchta agus táillí neamh-iniúchóireachta, iníoctha le hiniúchóirí seachttracha an Chomhlachta, a athbhreithniú is a fhaomhadh;
- athbhreithniú a dhéanamh ar phleananna na n-iniúchóirí seachttracha chun iniúchadh a dhéanamh ar ráitis airgeadais an Chomhlachta, ar dheimhniú ar neamhspleáchas na n-iniúchóirí is ar an táille a mholtar don iniúchadh agus téarmaí an chonartha don iniúchadh a fhaomhadh;
- leordhóthaineacht chórais an Chomhlachta chun rioscaí a aithint is a thomhas, a mheas;
- tuairisc bhliantúil ar chórais an Chomhlachta um rialú inmheánach agus a éifeachtúlacht a athbhreithniú, tuairisc a thabhairt don Bhoird ar thorthaí an athbhreithnithe agus tuairiscí suas-chun-dáta a fháil go rialta ar eochair-ghnéithe riosca den rialú airgeadais.

Report of the Directors

Nomination Committee

As all the authority regarding the appointment of Directors is vested with the Minister for Finance, the matter of constituting a nomination committee is not required to be considered by the Board.

Compliance statement

The Board has developed its corporate governance policy so as to give effect to the Code of Practice for the Governance of State Bodies issued by the Department of Finance and to apply as appropriate the relevant main and supporting principles of good governance in the Combined Code issued by the Financial Reporting Council in the UK.

The Directors confirm that the Company has been in compliance with the Code of Best Practice for the Governance of State Bodies and the relevant main and supporting principles of the Combined Code throughout the financial year under review, with the exception of a number of areas noted above where voluntary compliance with the Combined Code is not considered necessary for the Company given the manner of appointment of Directors, the shareholding structure of the Company and existing Board procedures.

Going Concern

The Directors have reviewed the Company's business plan and other relevant information including the terms of the licence granted by the Minister for Finance to the Company for the operation of the National Lottery until 31 December, 2011. On that basis, the Directors have a reasonable expectation that the Company will continue in operational existence for the foreseeable future. For this reason, the Directors continue to adopt the going concern basis in preparing the financial statements.

Accounting Records

The Directors believe that they have complied with the requirements of Section 202 of the Companies Act, 1990 with regard to books of account by employing accounting personnel with appropriate expertise and by providing adequate resources to the financial function. The books of account of the Company are maintained at An Post National Lottery Company Headquarters, Lower Abbey Street, Dublin 1.

Tuarascáil na Stiúrthóirí

Coiste Ainmniúcháin

Toisc go bhfuil iomlán an údaráis a bhaineann le ceapadh Stiúrthóirí dílisithe san Aire Airgeadais ní gá don Bhord déileáil le coiste ainmniúcháin a bhunú.

Ráiteas Géilliúntais

D'fhorbair an Bord a pholasaí ar rialachas corparáide le go mbeadh feidhm ag an gCód Cleachtais um Rialú Comhlachtaí Stáit a d'eisigh an Roinn Airgeadais agus chun feidhm a thabhairt nuair is cuí do phríomhphrionsabail agus do phrionsabail thacaíochta ábhartha um dheia-rialachas atá sa Chomhchód a d'eisigh an Financial Reporting Council sa Ríocht Aontaithe.

Dearbhaíonn na Stiúrthóirí gur chomhlíon an Comhlacht an Cód Sár-chleachtais um Rialachas Comhlachtaí Stáit maille le príomhphrionsabail agus prionsabail thacaíochta ábhartha an Chomhchóid le linn na bliana airgeadais atá faoi chaibidil, ach amháin i gcás líon áirithe réimsí a luadh thuas nuair a measadh nach mbeadh comhlíonadh deonach an Chomhchóid riachtanach don Chomhlacht nuair chuirtear san áireamh an tslí ina cheaptar na Stiúrthóirí, struchtúr scairsheilbhe an Chomhlachta agus gnáthaimh reatha an Bhoird.

Gnóthas Leantach

D'athbhreithnigh na Stiúrthóirí plean gnó an Chomhlachta agus eolas ábhartha eile, ina measc an ceadúnas a thug an tAire Airgeadais don Chomhlacht chun an Crannchur Náisiúnta a reáchtáil go dtí 31 Nollaig, 2011. Ar an mbonn sin, tá ionchas réasúnta ag na Stiúrthóirí go leanfaidh an Comhlacht de bheith ag feidhmiú go ceann i bhfad. Ar an gcúis sin, leanann na Stiúrthóirí orthu de bheith ag ullmhú na ráiteas airgeadais ar an mbonn gur gnóthas leantach é an Comhlacht.

Taifid Chuntasáochta

Creideann na Stiúrthóirí gur chomhlíon siad riachtanais Alt 202 d'Acht na gCuideachtaí, 1990 i dtaca leis na leabhair chuntasáochta trí fhoireann cuntasáochta, leis an saineolas cuí, a fhostú agus trí dhóthain acmhainní a chur ar fáil do na feidhmeanna cuntasáochta. Coinnítear leabhair chuntas an Chomhlachta in Ardoifig Chomhlacht Chrannchur Náisiúnta an Phoist, Sráid na Mainistreach Íochtarach, Baile Átha Cliath 1.

7. Iniúcháir

Leanann KPMG, Cuntasóirí Cairte, orthu in oifig faoi réir Alt 160(2) d'Acht na gCuideachtaí, 1963.

Ráiteas faoi Fhreagrachtaí na Stiúrthóirí

Tá na Stiúrthóirí freagrach as an Tuarascáil Bhliantúil agus na ráitis airgeadais a ullmhú faoi réir dhlíthe agus rialacháin infheidhmíthe.

Éilíonn dlí chuideachtaí go n-ullmhóidh na Stiúrthóirí ráitis airgeadais do gach bliain airgeadais. Shocraigh na Stiúrthóirí faoin dlí sin ráitis airgeadais a ullmhú a bheadh ag teacht leis na Cleachtais Chuntasaíochta, a bhfuil gnáth-ghlacadh leo in Éirinn, a chuimsíonn dlí infheidhmíthe na hÉireann agus na caighdeáin chuntasaíochta a d'eisigh an UK Accounting Standards Board agus a d'fhoilsigh Institiúid na gCuntasóirí Cairte in Éirinn.

Éilítear faoin dlí go dtabharfadh ráitis airgeadais an Chomhlachta tuairisc fíor agus cothrom ar staid chúrsaí an Chomhlachta agus ar bhrabús nó ar chaillteanas an Chomhlachta i rith na tréimhse sin.

Mar chuid de ullmhúcháin na ráiteas airgeadais seo, tá sé de dhualgas ar na Stiúrthóirí:

- polasaithe cuntasaíochta oiriúnacha a roghnú agus ansin iad a chur i gcrích go rialta;
- breithiúnais agus meastacháin atá réasúnta agus stuama a dhéanamh; agus
- ráitis airgeadais a ullmhú ar bhonn gnóthas leantach ach amháin nuair atá sé neamhoiriúnach a cheapadh go leanfaidh an Comhlacht ar aghaidh mar ghnó.

Tá na Stiúrthóirí freagrach as leabhair chuntais chuif a choinneáil ag léiriú go réasúnta beacht ag am ar bith staid airgeadais an Chomhlachta agus a thabharfadh seans dóibh a chinntiú go gcomhlíonann na ráitis airgeadais Achtanna na gCuideachtaí, 1963 go 2009. Tá siad freagrach i gcoitinne as pé céimeanna atá riachtanach a thógáil chun sócmhainní an Chomhlachta a chosaint agus chun aon chalaois nó aon mhírialtacht a stopadh agus a thabhairt faoi deara.

Tá na Stiúrthóirí freagrach chomh maith as Tuarascáil Stiúrthóirí a ullmhú a chomhlíonann forálacha Achtanna na gCuideachtaí 1963 go 2009.

Tá na Stiúrthóirí freagrach chomh maith as cothabháil agus as sláine an eolais chorparáide agus airgeadais a chuimsítear ar shuíomh gréasáin an Chomhlachta. Is féidir go bhfuil difríochtaí idir reachtaíocht Phoblacht na hÉireann maidir le réiteach agus le dáileadh ráiteas airgeadais agus an reachtaíocht i ndlínsí eile.

We are not required to consider whether the Board's statements on internal control cover all risks and controls, or form an opinion on the effectiveness of the Company's corporate governance procedures or its risk and control procedures.

Tuarascáil an Iniúcháora Neamhspleách

do Bhaill Chomhlacht Chrannchur Náisiúnta an Phoist

Tá iniúchadh déanta againn ar ráitis airgeadais Chomhlacht Chrannchur Náisiúnta an Phoist don bhliain dar críoch 31 Nollaig, 2010 ar a n-áirítear an Cuntas Brabúis agus Caillteanais, an Clár Comhardaithe, an Ráiteas faoi Shreabhadh Airgid agus na nótaí gaolmhara. Ullmhaíodh na ráitis airgeadais seo faoi réir na bpolasaithe cuntasafóchta atá leagtha amach iontu.

Is do chomhaltaí an Chomhlachta amháin, mar chomhlacht, faoi réir Alt 193 d'Acht na gCuideachtaí, 1990, a dhéantar an tuarascáil seo. Chuamar i mbun na hoibre iniúchta ionas go bhféadfaimis a lua le comhaltaí an Chomhlachta na nithe sin a cheanglaítear orainn a lua leo i dtuarascáil iniúcháirí agus chun na críche sin amháin. Chomh fada agus is ceadmhach dúinn de réir dlí ní ghlacaimid ná ní ghabhaimid chugainn féin freagracht do dhuine ar bith seachas don Chomhlacht agus do chomhaltaí an Chomhlachta mar chomhlacht, as ár n-obair iniúchta, as an tuarascáil seo, ná as na tuairimí a dtáingamar orthu.

Freagrachtaí Stiúrthóirí agus Iniúcháora faoi seach

Tá freagrachtaí na Stiúrthóirí as ullmhú na Tuarascála Bliantúla agus na ráiteas airgeadais de réir dhlíthe infheidhmithe agus na gcleachtas cuntasafóchta, ar a n-áirítear na caighdeáin chuntasafóchta atá eisiithe ag an Auditing Practices Board agus atá foilsithe ag Institiúid na gCuntasóirí Cairte in Éirinn leagtha amach sa Ráiteas faoi Fhreagrachtaí na Stiúrthóirí.

Is é an dualgas s'againne na ráitis airgeadais a iniúchadh faoi réir na riachtanas dlíthiúla agus rialaitheacha gaolmhara agus na gCaighdeán Iniúcháireachta Idirnáisiúnta (Ríocht Aontaithe agus Éire).

Tugaimid tuairisc ar ár dtuairim daoibh faoi fhírinne agus faoi chothromas an léargais a thugann na ráitis airgeadais, faoi réir Chleachtais Chuntasafóchta, a bhfuil gnáth ghlacadh leo in Éirinn agus cé acu ar ullmhaíodh nó nár ullmhaíodh i gceart iad de réir Achtanna na gCuideachtaí, 1963 go 2009. Tuairiscímid daoibh freisin ár dtuairim faoi na hábhair seo a leanas: cé acu ar choinnigh nó nár choinnigh an comhlacht leabhair chuntais cearta; an bhfuil nó nach bhfuil staid airgeadais ann ar dháta an chlár comhardaithe a fhéadfadh dualgas a leagan ar an gcomhlacht cruinniú ginearálta urhghnách a thionól; agus an bhfuil nó nach bhfuil an t-eolas a thugtar i dtuarascáil na Stiúrthóirí ag teacht leis na ráitis airgeadais. Thairis sin, deirimid cé acu an bhfuaireamar nó nach bhfuaireamar an t-eolas agus na mníthe riachtanacha uile chun críche ár n-iniúchta agus cé acu an bhfuil nó nach bhfuil na ráitis airgeadais ag teacht leis na leabhair chuntais.

Tugaimid tuairisc daoibh freisin más í ár dtuairim í nach bhfuil eolas a éilítear de réir dlí maidir le híocaíocht agus le bearta na Stiúrthóirí leis an gComhlacht tugtha.

Léimid Tuarascáil na Stiúrthóirí agus cuirimid ar an meá na himpleachtaí dár dtuarascáil má mheasaimid cuma mhíchruinn a bheith ar aon ráiteas inti.

Athbhreithnímid, ar iarratas na Stiúrthóirí, cé acu an sásaíonn nó nach sásaíonn (1) an ráiteas deonach ar leathanaigh 37 go 44 géilliúlacht an Chomhlachta i leith na naoi gcoinníoll de Chomhchód 2009 FRC a leagann Rialacha Liostála Stocmhalartán na hÉireann amach d'Iniúcháirí agus iad i mbun athbhreithnithe agus (2) an ráiteas ar an gcóras rialaithe inmheánaigh ar leathanaigh 40 agus 41 géilliúlacht an Chomhlachta i leith an Chód Sárcleachtais um Rialú Comhlachtaí Stáit atá luaite chun athbhreithnithe ag Iniúcháirí agus tuairiscímid é mura sásaíonn na ráitis seo iad. Níl dualgas orainn a mheas cé acu an gclúdaíonn nó nach gclúdaíonn ráitis an Bhoird ar rialú inmheánach na rioscaí agus na rialaithe uile ná teacht ar thuairim faoi éifeacht ghnáthaimh an Chomhlachta um rialachas inmheánach ná a ghnáthaimh um rioscaí agus rialaithe.

Report of the Independent Auditor

to the Members of An Post National Lottery Company

We read the other information contained in the Annual Report, including the corporate governance statement, and consider whether it is consistent with the audited financial statements. This information comprises only the Directors' Report, the Chairman's Statement and the Review of Operations. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of Audit Opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion, the financial statements:

- give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, of the state of affairs of the Company as at 31 December, 2010 and of its surplus for the year then ended; and
- have been properly prepared in accordance with the Companies Acts, 1963 to 2009.

We have obtained all the information and explanations we considered necessary for the purposes of our audit. In our opinion, proper books of account have been kept by the Company. The financial statements are in agreement with the books of account.

In our opinion, the information given in the Report of the Directors on pages 36 to 44 is consistent with the financial statements.

The net assets of the Company, as stated in the balance sheet on page 51, are more than half of the amount of its called up share capital and, in our opinion, on that basis there did not exist at 31 December, 2010 a financial situation which, under Section 40(1) of the Companies (Amendment) Act, 1983, would require the convening of an extraordinary general meeting of the Company.

Tuarascáil an Iniúcháora Neamhspleách

do Bhaill Chomhlacht Chranhchur Náisiúnta an Phoist

Léimid an t-eolas eile atá sa Tuarascáil Bhliantúil, an ráiteas ar rialachas corparáideach san áireamh, agus féachaimid cé acu an bhfuil nó nach bhfuil sé ag teacht leis na ráitis airgeadais iniúchta. Ní áirítear anseo ach Tuarascáil na Stiúrthóirí, Ráiteas an Chathaoirligh agus an tAthbheithniú Oibríocháin. Cuirimid san áireamh na himpleachtaí dár dtuairisc má thagaimid ar aon ráiteas, a bhfuil cuma mhíchruinn air, nó ar aon neamh-chomhsheasmhacht ábhartha leis na ráitis airgeadais. Ní bhaineann ár bhfreagrachtaí le haon eolas eile.

Bunús Thuairim an Iniúchta

Rinneamar ár n-iniúchadh de réir na gCaighdeán Iniúchóireachta Idirnáisiúnta (Ríocht Aontaithe agus Éire) arna eisiúint ag an Auditing Practices Board. Áirítear in iniúchadh scrúdú, ar bhonn trialach, ar fhianaise a bhaineann leis na suimeanna agus na faisnéisithe sna ráitis airgeadais. Áirítear ann freisin measúnú ar na meastacháin shuntasacha agus ar na breitheanna a thug na Stiúrthóirí agus na ráitis airgeadais á n-ullmhú acu, mar aon le measúnú ar oiriúnacht na bpolasaithe cuntasaíochta do chúinsí an Chomhlachta, agus ar cé acu an gcuirtear nó nach gcuirtear na polasaithe sin i bhfeidhm go comhsheasmhach agus an nochtar go leordhóthanach iad.

Rinneamar ár n-iniúchadh a phleanáil agus a chur i gcrích ionas go bhfaighfí an fhaisnéis agus na mínithe go léir a mheasamar ba ghá chun fianaise leordhóthanach a sholáthar dúinn le go mbeadh cinnteacht réasúnta ann go bhfuil na ráitis airgeadais saor ó mhíráiteas ábhartha, cibé acu calaiois nó mírialtacht nó earráid eile ba chúis leis. Le linn dúinn teacht ar ár dtuairim rinneamar meastóireacht freisin ar dhóthanacht iomlán na slite inar léiríodh an fhaisnéis sna ráitis airgeadais.

An Tuairim

Is í ár dtuairim í maidir leis na ráitis airgeadais:

- go dtugann siad léargas fíor agus cothrom ar ghnóthaí an Chomhlachta, faoi réir na gCleachtas Cuntasaíochta, a bhfuil gnáth-ghlacadh leo in Éirinn, mar a bhí ar an 31 Nollaig, 2010 agus ar a bharrachas don bhliain a chríochnaigh ansin; agus
- gur ullmhaíodh iad i gceart de réir Achtanna na gCuideachtaí, 1963 go 2009.

Fuaireamar an fhaisnéis agus na mínithe go léir a mheasamar ba ghá i gcomhair ár n-iniúchta. Is é ár dtuairim gur choimeád an Comhlacht leabhair chuntais chuí. Tá na ráitis airgeadais ag teacht leis na leabhair chuntais.

Is í ár dtuairim í go bhfuil an fhaisnéis a thugtar i dTuarascáil na Stiúrthóirí ar leathanaigh 36 go 44 i gcomhréir leis na ráitis airgeadais.

Tá glansócmhainní an Chomhlachta, mar atá luaite sa chlár comhardaithe ar leathanach 51, comhionann le méid is mó ná leath a scairchaipitil ghlaioite agus is é ár dtuairim ar an mbonn sin, nach raibh ar 31 Nollaig, 2010 staid airgeadais ann a bheadh ina cúis le cruinniú ginearálta urghnách den Chomhlacht a thionól faoi Alt 40(1) d'Acht na gCuideachtaí (Leasú), 1983.

Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements.

1. Basis of Accounting

The financial statements are prepared under the historical cost convention in accordance with applicable law and Irish Generally Accepted Accounting Practice which includes compliance with the financial reporting standards of the UK Accounting Standards Board as promulgated by The Institute of Chartered Accountants in Ireland.

2. Turnover

Turnover from the sale of National Lottery tickets is recognised as the tickets are sold, with adjustments being made for scratch card ticket stocks held by agents and for multi draw tickets/advance tickets.

All turnover is derived from and originates in Ireland.

3. Prizes

The prize structure complies with the requirements of Section 4(2) of the National Lottery Act, 1986 whereby, taking one year with another, not less than 40% of the total monies received by the Company in respect of the sale of National Lottery tickets shall be distributed in prizes. Prizes are provided for as revenue is recognised on the basis of the game's particular prize structure. Any difference between the total amount provided and the amounts actually distributed is included in Creditors in the balance sheet.

4. Advertising and Promotional Expenditure

Advertising and promotional expenditure is written off in full in the year in which the costs are incurred.

5. Leased Assets – Operating

Operating lease rentals are charged to the Profit and Loss Account on a straight line basis over the lease term.

6. Taxation

The Company is exempt from Corporation Tax under Section 220 Taxes Consolidation Act, 1997.

7. Fixed Assets – Tangible Assets

Tangible assets are shown as having no book value, as the total cost thereof to the Company is reimbursed out of the National Lottery Fund.

Accordingly, no depreciation is provided.

Under Section 17(1) (a) of the National Lottery Act, 1986, the Company holds these assets in trust for the State.

Polasaithe Cuntasaíochta

Cuireadh i bhfeidhm go rialta na polasaithe cuntasaíochta seo a leanas i gcás míreanna a measadh a bheith ábhartha i gcomhthéacs ráitis airgeadais an Chomhlachta.

1. Bunús na Cuntasaíochta

Ullmhaítear na ráitis airgeadais de réir dlíthe oiriúnacha na hÉireann agus na gCleachtas Cuntasaíochta, a bhfuil gnáth-ghlacadh leo in Éirinn, ar a áirítear cloí leis na caighdeáin a d'eisigh an UK Accounting Standards Board ar thuairisciú airgeadais agus a d'fhoilsigh Institiúid na gCuntasóirí Cairte in Éirinn.

2. Láimhdeachas

Aithnítear an láimhdeachas ó dhíolachán thicéid an Chrannchuir Náisiúnta de réir mar a dhíoltar na ticéid agus déantar coigeartuithe don stoc ticéad scríobchátaí a choinníonn na gníomhairí agus do thicéid/réamh-thicéid- ilchrannchuir.

As Éirinn a thagann agus is in Éirinn a fhaightear an láimhdeachas uile.

3. Duaiseanna

Tá an duais-struchtúr ag teacht le forálacha Alt 4(2) den Acht um Chrannchur Náisiúnta 1986. Faoi na forálacha seo, agus bliain amháin á ghlacadh le bliain eile, dáilfear mar dhuaiséanna suim nach lú ná 40% den airgead iomlán a fuair an Comhlacht mar thoradh ar dhíolachán thicéid an Chrannchuir Náisiúnta. Déantar soláthar do na duaiseanna de réir mar a aithnítear an t-ioncam ar bhonn cibé struchtúr duaise a bhíonn ag cluiche ar leith. Léirítear i measc na gCreidiúnaithe ar an gClár Comhardaithe cibé dífríocht a bhíonn idir an tsuim iomlán a sholáthraítear agus na suimeanna a dháiltear.

4. Caiteachas ar Fhógraíocht is ar Chur Chun Cinn

Díscríobhtar iomlán an chaiteachais ar fhógraíocht is ar chur chun cinn sa bhliain ina tharraingítear na costais.

5. Sócmhainní ar léasanna oibriúcháin

Gearrtar costas chíosanna ar léasanna oibriúcháin ar an gCuntas Brabúis agus Caillteanais ar bhonn mhéid chothroim thar thréimhse an léasa.

6. Cánachas

Tá díolúine ag an gComhlacht ó Cháin Chorporáide faoi Alt 220 den Acht Comhdhlúite Cánacha 1997.

7. Sócmhainní Seasta – Sócmhainní Inláimhsithe

Ní léirítear aon leabharluach a bheith ag sócmhainní inláimhsithe ón uair go n-aisíoctar a gcostas iomlán leis an gComhlacht as Ciste an Chrannchuir Náisiúnta.

Dá réir, ní thagann aon mhuirear dímhéasa i gceist.

I gcás na sócmhainní seo, feidhmíonn an Comhlacht mar iontaobhaí thar ceann an Stáit, faoi Alt 17(1) (a) d'Acht um Chrannchur Náisiúnta 1986.

Accounting Policies

8. Fixed Assets – Financial Assets

Financial fixed assets are shown at cost less provisions for impairments in value. Income from financial fixed assets is recognised in the Profit and Loss Account in the year in which it is receivable.

9. Stocks

Stocks comprise scratch card ticket stocks and are valued at cost. Cost includes import duties, V.A.T. and transport costs. All unusable and obsolete stock is written off.

10. Foreign Currencies

Transactions denominated in foreign currencies are translated into Euro and recorded at the rate of exchange ruling at the date of the transaction. Monetary liabilities denominated in foreign currencies are translated into Euro at the rate of exchange ruling at the balance sheet date or at forward purchase contract rates where such contracts exist. All exchange differences are dealt with in the Profit and Loss Account.

11. Pensions

Pensions are provided to seconded staff under multi-employer defined benefit superannuation schemes which are administered by the Company's parent, An Post, and a defined contribution scheme. In relation to the defined contribution scheme, contributions are accrued and recognised in operating profit or loss in the period in which they are earned by the relevant staff.

Due to the seconded nature of staff, the Company is unable to identify its share of the underlying assets and liabilities in the defined benefit scheme which may be attributable to the Company on a consistent and reasonable basis. Because of this, as permitted by FRS 17, the defined benefit schemes are accounted for by the Company as if the schemes were defined contribution schemes.

Polasaithe Cuntasaíochta

8. Sócmhainní Seasta – Sócmhainní Airgeadais

Léirítear sócmhainní seasta airgeadais ar luach a gcostas, lúide soláthar d'aon laghdú luacha. Tá aon ioncam a fhaightear ó shócmhainní seasta airgeadais le feiceáil sa chuntas brabúis agus caillteanais sa bhliain ina fhaightear é.

9. Stoic

Áirítear mar stoic aon stoc ticéad scríobchátaí agus luacháiltear iad ar a gcostas. Áirítear sa chostas dleachtanna allmhairithe, CBL agus costais iompair. Díscríobhtar aon stoc atá as dáta nó nach féidir a úsáid.

10. Airgeadra Coigríche

Aistrítear isteach in euro aon bheart, a chéad léiríodh in airgeadra coigríche, agus an ráta malairte, a bhí i bhfeidhm lá an bhirt, á úsáid. Aistrítear isteach in euro dliteanais airgeadaíochta, a chéad léiríodh in airgeadra coigríche, agus úsáid á bhaint as an ráta malairte a bhí i bhfeidhm ar dháta an Chláir Chomhardaithe nó ar rátaí chonarthaí réamhcheannacháin más ann do chonarthaí dá shórt. Déileáiltear le gach difríocht malairte sa chuntas brabúis agus caillteanais.

11. Pinsin

Soláthraíonn an Comhlacht pinsin don fhoireann trí scéimeanna aoisliúntais ilfhostóra le sochar réamh-shainithe a riarann An Post, máthair-chuideachta an Chomhlachta, agus trí scéim ranníocach réamh-shainithe. I dtaca leis an scéim ranníocach réamh shainithe, fabhraítear na ranníocaíochtaí agus aithnítear iad sa sochar is dochar oibríochta sa tréimhse ina dtuillteann an fhoireann ábhartha iad.

Cionnas gur foireann ar shealscarúint atá i gceist, níl ar chumas an Chomhlachta a chuid de na sócmhainní agus de na dliteanais bhunúsacha sa scéim shocair réamh-shainithe a aithint ar bhonn comhsheasmhach nó réasúnta. Dá réir sin agus faoi mar a cheadaíonn FRS 17, coinníonn an comhlacht cuntas ar an scéim shocair réamh-shainithe amhail is dá mba scéim ranníocaíochta sainithe í.

16. Pensions

The pension entitlements of staff arise under a number of An Post externally funded defined benefit and defined contribution pension schemes, the assets of which are vested in independent trustees appointed by An Post for the sole benefit of employees and their dependants.

An Post operates multi-employer defined benefit schemes. Due to the seconded nature of staff, the Company is unable to identify the share of the underlying assets and liabilities in the schemes, which may be attributable to the Company, on a consistent and reasonable basis. Because of this, as permitted by FRS17, the schemes have been accounted for by the Company as if the schemes were defined contribution schemes.

The valuations of the An Post defined benefit schemes used for the purposes of the FRS17 disclosures have been based on the previous actuarial valuations carried out at 1 January, 2008, updated by the independent actuaries in accordance with FRS17 to assess the schemes' liabilities at 31 December, 2009. The schemes' assets were stated at their market value at that date. As disclosed in the 2009 Financial Statements, the net pension liabilities of the pension schemes at 31 December, 2009, the most recently available information, amounted to €403 million. At that date An Post had 9,730 permanent employees not including the 99 staff of An Post National Lottery Company.

The pension costs of the An Post defined benefit schemes are assessed in accordance with the advice of an independent professionally qualified actuary. The most recent actuarial valuations were carried out at 1 January, 2008, using the attained age method and disclosed that the assets of the schemes at that date were sufficient to cover more than 100% of the accrued liabilities after allowing for expected future increases in pensionable remuneration.

Contributions to the defined benefit schemes were at a rate of 14.4% (2009: 14.4%) of pensionable remuneration.

The actuarial valuations are not available for public inspection but the results of the valuations have been advised to members of the schemes.

Employer contributions to the defined contribution scheme are at rates varying between 5% and 9% of pensionable remuneration.

The total pension cost in respect of the Company for the year ended 31 December, 2010 was €896,000 (2009: €885,000).

An amount of €14,000 is included in accruals (2009: €10,000) representing contributions payable to An Post with respect to the pension schemes at 31 December, 2010.

17. Contingencies

16. Pinsin

Eascaíonn teidlíochtaí pinsin na foirne as roinnt scéimeanna pinsin de chuid An Post, idir cinn le sochar sainnithe agus cinn le ranníocaíocht sainnithe, atá maoinithe go seachtarach, a bhfuil a sócmhainní dílsithe ag An Post le hiontaobhaithe neamhspleácha chun leasa na bhfostaithe agus a gcleithiúnaithe agus iadsan amháin.

Riarann An Post scéimeanna il-fhostóra le sochar réamh-shainnithe. Toisc an fhoireann a bheith tugtha ar iasacht, níl ar chumas an Chomhlachta an chuid de na sócmhainní agus na dliteanais arbh fhéidir a chur leith an Chomhlachta, a aithint ar bhonn comhsheasmhach nó réasúnta. I ngeall air seo, agus faoi mar a cheadaíonn FRS17, coinneoidh an comhlacht cuntas ar na scéimeanna amháin is dá mba scéimeanna ranníocaíochta sainnithe iad.

Bunaíodh luachálacha scéimeanna sochar sainnithe An Post, chun críche faisnéisithe FRS 17, ar luachálacha achtúireacha a rinneadh roimhe sin ar 1 Eanáir, 2008 agus a thug na hachtúiríthe neamhspleácha suas chun dáta faoi réir FRS 17 chun measúnú a dhéanamh ar dhliteanas na scéime ar 31 Nollaig, 2009. Luadh sócmhainní na scéime ar a luach margaidh ar an dáta sin. Már a léiríodh i Ráitis Airgeadais 2009 b'iad dliteanais ghlana na scéimeanna pinsin ar 31 Nollaig, 2009, an t-eolas ba dhéanaí a raibh fáil air, ná €403 milliún. Ar an dáta sin bhí 9,730 fostaí buan ag An Post gan 99 ball foirne a bhí ag obair le Comhlacht Chranchnur Náisiúnta An Phoist a chur san áireamh.

Measúnaítear costais scéimeanna pinsin le sochar sainnithe An Post faoi réir chomhairle ó achtúire neamhspleách atá oile go gairmiúil. Rinneadh an luacháil achtúireach dheiridh ar 1 Eanáir 2008 agus modh na haoise sroichte á úsáid. Fuarthas amach gur leor na sócmhainní ar an dáta sin chun 100% agus breis den dliteanas fabhráithe a chlúdach tar éis soláthar a dhéanamh do arduithe measta i luach saothair inphinsin.

Bhí na ranníocaíochtaí do na scéimeanna le sochar réamh-shainnithe ar ráta 14.4% (2009: 14.4%) de thuarastal inphinsithe.

Níl fáil ar na luachálacha achtúireacha le go ndéanfaí scrúdú orthu go poiblí ach tá torthaí na luachálacha curtha in iúl do chomhaltaí na scéimeanna.

Is ar rátaí idir 5% agus 9% den tuarastal inphinsinithe atá ranníocaíochtaí na bhfostóirí leis na scéimeanna le ranníocaíochtaí sainnithe.

Bé €896,000 costas iomlán na bpinsean i leith an Chomhlachta sa bhliain dar críoch 31 Nollaig, 2010 (2009: €885,000).

Tá suim de €14,000 san áireamh sna fabhruithe (2009: €10,000) i leith ranníocaíochtaí atá iníoctha le An Post i leith na scéime pinsin ar 31 Nollaig, 2010.

19. Group Membership and Controlling Party

The Company is a subsidiary undertaking of An Post which holds 80% of the issued share capital.

The sole activity of the Company is the operation of the National Lottery under Licence from the Minister for Finance in accordance with the provisions of the National Lottery Act, 1986. The Licence expires on 31 December, 2011. The surplus generated each year is entirely attributable to the National Lottery Fund and, accordingly, the results of the Company are not consolidated within the An Post Group.

The Company was managed and controlled throughout the year by the Directors on behalf of An Post and the ultimate controlling party, the Minister for Finance.

20. Related Party Disclosures

In addition to the secondment of staff working in the Company, undertakings in the An Post Group provide the Company with management and delivery of services. Such services are carried out on an arm's length basis or, where appropriate, in accordance with the terms of the Licence granted by the Minister for Finance to the Company, to operate the National Lottery.
